

EMPLOYMENT APPEALS BOARD DECISION
2019-EAB-0046-R

Request for Reconsideration Dismissed
EAB Decision 2019-EAB-0046 and Order No. 19-UI-122065 Remain Undisturbed
No Disqualification

PROCEDURAL HISTORY: On November 29, 2018, the Oregon Employment Department (the Department) served notice of an administrative decision concluding the employer discharged claimant for misconduct (decision # 154621). Claimant filed a timely request for hearing. On December 28, 2018, ALJ S. Lee conducted a hearing, and on January 3, 2019 issued Order No. 19-UI-122065, concluding claimant's discharge was not for misconduct. On January 11, 2019, the employer filed an application for review with the Employment Appeals Board (EAB). On February 11, 2019, EAB issued Employment Appeals Board Decision 2019-EAB-0046, affirming Order No. 19-UI-122065. On March 1, 2019, the employer filed a timely request for reconsideration.

CONCLUSIONS AND REASONS: The employer's request for reconsideration must be dismissed.

ORS 657.290(3) authorizes EAB to reconsider its own decisions. However, OAR 471-041-0145(2)(a) provides that a party's request for reconsideration is subject to dismissal unless it: "Includes a statement that a copy has been provided to the other parties. Example: "I certify that on I mailed by first class mail a copy of this document to the opposing party, addressed as follows: ABC Company, 123 Main St., Portland, OR, 9XXXX."'" The employer's request for reconsideration did not include any such statement or otherwise indicate that the employer provided a copy of the request for reconsideration to claimant as required. The employer's request is therefore dismissed.

Even if EAB had allowed the employer's request for reconsideration, EAB's decision would have remained the same. The basis of the employer's request was additional evidence that the employer had not offered into evidence at the hearing. Under OAR 471-041-0090(2)(b), EAB could only consider that additional evidence if the employer proved that "[f]actors or circumstances beyond the party's reasonable control prevented the party from offering the information into evidence at the hearing." The employer's request for reconsideration did not address why the employer failed to submit the evidence at the hearing, and therefore did not show that it was prevented from doing so by factors or circumstances beyond its reasonable control. Therefore, even if EAB had allowed the employer's

request for reconsideration, EAB could not have considered the additional evidence, and the outcome of this case would have remained the same.

DECISION: The request for reconsideration filed March 1, 2019 is dismissed. Appeals Board Decision 2019-EAB-0046 and Order No. 19-UI-122065 remain undisturbed.

J. S. Cromwell and S. Alba;
