

EMPLOYMENT APPEALS BOARD DECISION
2019-EAB-0538

Reversed
Week 15-19 Allowed

PROCEDURAL HISTORY: On April 26, 2019, the Oregon Employment Department (the Department) served notice of an administrative decision concluding claimant failed to provide the Department with information about her earnings during the week of April 7, 2019 through April 13, 2019 (week 15-19). Claimant filed a timely request for hearing. On May 16, 2019, ALJ Snyder conducted a hearing, and on May 24, 2019 issued Order No. 19-UI-130537, affirming the Department's decision. On June 10, 2019, claimant filed an application for review with the Employment Appeals Board (EAB).

FINDINGS OF FACT: (1) Claimant last worked on March 19, 2019. On April 8, 2019, she lost her job.¹

(2) On April 11, 2019, claimant filed an initial claim for unemployment insurance benefits. She then filed a weekly claim for benefits for the week of April 7, 2019 through April 13, 2019 (week 15-19).

(3) Claimant mistakenly reported to the Department at the time she filed her initial claim for benefits that she last worked on April 9, 2019, which falls during week 15-19. Although claimant had reported having last worked on April 9th, she had not actually worked, or had earnings, during week 15-19. She therefore did not report any hours of work or earnings to the Department when she filed her initial or weekly claims for benefits.

(4) On April 16, 2019, the Department mailed a letter to claimant requesting information about her hours and earnings during week 15-19. The Department's letter stated that the deadline for claimant to provide that information was April 22, 2019 or benefits would be denied.

¹ EAB has considered the additional evidence contained in finding of fact 1 when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence has been marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit(s) will remain in the record.

(5) Claimant did not receive the Department's April 16th letter. She received all the other mail the Department sent to her, but did not receive that letter at any point after it was sent.

CONCLUSIONS AND REASONS: Claimant is eligible for benefits during week 15-19.

ORS 657.260(1) provides that claims for benefits shall be filed in accordance with the Department's regulations. OAR 471-030-0025(1) (January 11, 2018) requires a person who has claimed benefits to furnish the Department with all information required for processing their claim including but not limited to information pertaining to work separations, work activity, and earnings during the week claimed. A person is required to furnish information required for the processing of their claim within the time frame provided by an authorized representative of the Department, and unless a different time is specified, within five calendar days of the date of a letter requesting that information. OAR 471-030-0025(2)(a).

There is no dispute on this record that the Department sent claimant a letter on April 16th instructing her to provide information about her work and earnings during week 15-19, and there is no dispute on this record that claimant did not provide that information to the Department within the time period specified in OAR 471-030-0025(2)(a). However, there also is no dispute that claimant did not receive the Department's April 16th letter instructing her to provide information to the Department as a condition of being eligible to receive benefits for week 15-19. Although individuals are generally presumed to receive documents sent to them in the ordinary course of the mail (*see* ORS 40.135(1)(q)), claimant rebutted that presumption with evidence suggesting a previously unknown mail delivery problem prevented her from receiving the letter even though she appeared to have received all the other mail the Department sent to her. In the absence of notice of the Department's expectation that she provide information about her work and earnings, claimant was not required to respond within the time frames set forth in OAR 471-030-0025(2)(a), and is therefore eligible to receive benefits during week 15-19.

DECISION: Order No. 19-UI-130537 is set aside, as outlined above.
