

EMPLOYMENT APPEALS BOARD DECISION
2019-EAB-0980

Late Application for Review Dismissed

PROCEDURAL HISTORY AND FINDINGS OF FACT: On May 8, 2019, the Oregon Employment Department (the Department) served notice of an administrative decision concluding the employer discharged claimant for misconduct connected with work (decision # 150750). Claimant filed a timely request for hearing. On May 29, 2019, the Office of Administrative Hearing (OAH) served notice of a hearing scheduled for June 11, 2019. On June 11, 2019, ALJ Murdock convened a hearing at which claimant failed to appear, and on June 12, 2019 issued Order No. 19-UI-131520 dismissing claimant's request for hearing for failure to appear. On July 2, 2019, Order No. 19-UI-131520 became final without claimant having filed a request to reopen the June 11th hearing. On July 3, 2019, claimant filed a late request to reopen the hearing. ALJ Kangas considered claimant's request, and on July 16, 2019 issued Order No. 19-UI-133405, dismissing the request. On August 5, 2019, Order No. 19-UI-133405 became final without claimant having filed an application for review with the Employment Appeals Board (EAB). On October 9, 2019, claimant filed a late application for review with the EAB.

CONCLUSIONS AND REASONS: The application for review is dismissed as untimely without a showing of good cause to extend the filing deadline.

An application for review is timely if it is filed within 20 days of the date that OAH mailed the decision for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20 day filing period may be extended a "reasonable time" upon a showing of "good cause." ORS 657.875; OAR 471-041-0070(2). "Good cause" means that factors or circumstances beyond the applicant's reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A "reasonable time" is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

In this case, the application for review of Order No. 19-UI-133405 was due by August 5, 2019. The appellant did not file their application for review until October 9, 2019. Claimant stated in their application for review "I later rec[e]ived the paperwork [] of the hearing verdict and information on appeals. With the lack of funds and need for work I concentrated on finding work and talking to recruiters when I was able." EAB infers from claimant's statement that they did not file a timely

application for review because they were concentrated on finding employment. However, claimant failed to show that it was beyond their reasonable control to file a timely application for review while looking for employment. Nor did claimant show that they filed their application for review within a reasonable time, seven days, after the factors or circumstances that allegedly prevented a timely filing ceased to exist. Claimant therefore failed to establish good cause to extend the August 5th filing deadline to October 9th. Accordingly, the late application for review is dismissed.

DECISION: The application for review filed October 9, 2019 is dismissed. Order No. 19-UI-133405 remains undisturbed.

D. P. Hettle and S. Alba;
J. S. Cromwell, not participating.

DATE of Service: October 24, 2019

NOTE: You may appeal this decision by filing a Petition for Judicial Review with the Oregon Court of Appeals within 30 days of the date of service listed above. *See* ORS 657.282. For forms and information, you may write to the Oregon Court of Appeals, Records Section, 1163 State Street, Salem, Oregon 97310 or visit the Court of Appeals website at courts.oregon.gov. Once on the website, use the ‘search’ function to search for ‘petition for judicial review employment appeals board’. A link to the forms and information will be among the search results.
