

EMPLOYMENT APPEALS BOARD DECISION
2020-EAB-0184

Affirmed
Late Request for Hearing Dismissed

PROCEDURAL HISTORY: On December 13, 2019, the Oregon Employment Department (the Department) served notice of an administrative decision concluding claimant quit work without good cause and was disqualified from receiving benefits effective September 29, 2019 (decision # 163635). On January 2, 2020, decision # 163635 became final without claimant having filed a timely request for hearing.

On January 14, 2020, the Department served notice of another administrative decision, based on the finality of decision # 163635, assessing a \$1,518 overpayment that claimant was required to repay (decision # 101620). On January 29, 2020, claimant filed a timely request for hearing on decision # 101620.

ALJ Kangas reviewed claimant's request for hearing, construed it as a late request for hearing regarding decision # 163635, and on February 3, 2020, issued Order No. 20-UI-143795, dismissing claimant's request for hearing as late without a showing of good cause, subject to claimant's right to renew the request by responding to an appellant questionnaire by February 17, 2020. On February 18, 2020, claimant filed a late response to the appellant questionnaire and a timely application for review of Order No. 20-UI-143795 with the Employment Appeals Board (EAB).

On February 26, 2020, ALJ Kangas mailed a letter to claimant notifying him that his questionnaire response was late and would not be considered, and that Order No. 20-UI-143795 remained in effect. This matter is before EAB based upon claimant's timely application for review of Order No. 20-UI-143795.

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence claimant's response to the appellant questionnaire, and has been marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this

decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit(s) will remain in the record.

FINDINGS OF FACT: Claimant's January 29, 2020 request for hearing did not reference decision # 163635 or include any details related to decision # 163635

CONCLUSIONS AND REASONS: Claimant did not have good cause for a late request for hearing on decision # 163635 dismissed.

ORS 657.269 provides that the Department's decisions become final unless a party files a request for hearing within 20 days after the date it is mailed. ORS 657.875 provides that the 20-day deadline may be extended a "reasonable time" upon a showing of "good cause." OAR 471-040-0010 (February 10, 2012) provides that "good cause" includes factors beyond an applicant's reasonable control or an excusable mistake, does not include "not understanding the implications of a decision or notice when it is received" and defines "reasonable time" as seven days after those factors ceased to exist.

In this case, the deadline for claimant to file a timely request for hearing on decision # 163635 expired on January 2, 2020. To the extent claimant's January 29, 2020 email request for a hearing related to # 163635, it was filed 27 days after the deadline, making his request late. Claimant has not provided any explanation as to why he filed a late request for hearing on decision # 163635 or established that his January 29th late request for hearing was filed within seven days of whenever the circumstances that prevented a timely filing ceased to exist.

Absent evidence that claimant had good cause for filing a late request for hearing on decision # 163635 and filed the late request within a reasonable time, the record supports Order No. 20-UI-143795, which dismissed claimant's request for hearing as late without a showing of good cause, leaving decision # 163635 undisturbed.

Notably, this decision does not address the Department's decision concluding that claimant was overpaid benefits (decision # 101620). If claimant has any questions about his request for hearing on the overpayment matter, contact the Department or Office of Administrative Hearings directly.

DECISION: Order No. 20-UI-143795 is affirmed.
