

EMPLOYMENT APPEALS BOARD DECISION
2020-EAB-0198

Affirmed
Late Request for Hearing Dismissed

PROCEDURAL HISTORY: On January 2, 2020, the Oregon Employment Department (the Department) served two notices of two administrative decisions, one denied claimant benefits for the period of December 1 through December 7, 2019, concluding that claimant failed to seek work for that week (decision # 150111), and the other concluded the employer discharged claimant for misconduct, and claimant was disqualified from receiving unemployment insurance benefits effective December 1, 2019 (decision # 151724). On January 22, 2020, both decisions became final without claimant having filed a timely request for hearing. On January 27, 2020, claimant filed a late request for hearing on decisions # 150111 and # 151724. On February 10, 2020, ALJ Kangas issued Orders No. 20-UI-144183 and No. 20-UI-144187, dismissing claimant's requests for hearing, as untimely without a showing of good cause subject to claimant's right to renew the requests by responding to appellant questionnaires by February 24, 2010. On March 2, 2010, claimant filed late responses to the appellant questionnaires, and a timely application for review of Orders No. 20-UI-144183 and No. 20-UI-144187 with the Employment Appeals Board (EAB). On March 5, 2020, ALJ Kangas issued two letters stating that because claimant's responses to the appellant questionnaires were filed late, they would not be considered, other orders would not be issued, and Orders No. 20-UI-144183 and No. 20-UI-144187 remained in effect.

EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence consist of claimant's response to the appellant questionnaire. EAB considered the response, to the extent that it was relevant to the issue before EAB, whether claimant had good cause to file a late request for hearing. It has been marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit(s) will remain in the record.

Pursuant to OAR 471-041-0095 (May 13, 2019), EAB consolidated its review of Orders No. 20-UI-144183 and No. 20-UI-144187. For case-tracking purposes, this decision is being issued in duplicate (EAB Decisions 2020-EAB-0197 and 2020-EAB-0198).

CONCLUSIONS AND REASONS: Claimant's late request for hearing on decisions # 150111 and # 151724 are dismissed.

ORS 657.269 provides that the Department's decisions become final unless a party files a request for hearing within 20 days after the date the decision is mailed. ORS 657.875 provides that the 20-day deadline may be extended a "reasonable time" upon a showing of "good cause." OAR 471-040-0010 (February 10, 2012) provides that "good cause" includes factors beyond an applicant's reasonable control or an excusable mistake, and defines "reasonable time" as seven days after those factors ceased to exist.

In this case, claimant filed his requests for hearing on decisions # 150111 and # 151724 five days after the filing deadline. In his response to the appellant questionnaire, claimant asserted that, "[He] has been experiencing multiple connectivity and other issues with his home network recently making it difficult for him to collect and compile the information necessary to support an appeal and, ultimately, his claim." EAB Exhibit 1. Claimant also stated that his full time employment "has consumed most of his daytime hours which hindered his efforts to remedy the communications problems" and has limited his ability to "research and gather documentation [in his former employer's possession] necessary to support his case" EAB Exhibit 1. However, claimant failed to explain why having connectivity issues with his home network, working full time, and not having documents from his former employer, prevented him from filing a timely request for hearing. While it is understandable that claimant would want to have supporting documentation to present at hearing, such documentation is not required or necessary when filing a request for hearing. Claimant has therefore failed to show that factors beyond his reasonable control prevented him from filing a timely request for hearing.

Claimant's late requests for hearings on decisions # 150111 and # 151724 therefore are dismissed.

DECISION: Orders No. 20-UI-144187 and No. 20-UI-144183 are affirmed.
