

EMPLOYMENT APPEALS BOARD DECISION
2020-EAB-0434

Application for Review Dismissed Without Prejudice

FINDINGS OF FACT AND PROCEDURAL HISTORY: On January 17, 2020, the Oregon Employment Department (the Department) served notice of an administrative decision concluding claimant quit work without good cause and was disqualified from receiving unemployment insurance benefits effective November 17, 2019 (decision # 114545). On February 6, 2020, decision # 114545 became final without claimant having filed a request for hearing. On February 15, 2020, claimant filed a late request for hearing on decision # 114545. ALJ Kangas reviewed claimant's late request for hearing, and on February 24, 2020 issued Order No. 20-UI-144997, dismissing claimant's request, subject to their right to renew the request by responding to an appellant questionnaire by March 9, 2020. On March 16, 2020, Order No. 20-UI-144997 became final without claimant having filed a response to the appellant questionnaire, or an application for review with the Employment Appeals Board (EAB). On May 26, 2020, claimant filed a late response to the appellant questionnaire, and a late application for review of Order No. 20-UI-144997 with EAB.

On May 27, 2020, EAB forwarded claimant's late response to the appellant questionnaire to the Office of Administrative Hearings (OAH). On June 1, 2020, ALJ Kangas issued a letter stating that because claimant's questionnaire response was late, OAH would not consider it, and Order No. 20-UI-144997 would remain in effect. This matter is before EAB based on claimant's late application for review of Order No. 20-UI-144997.

CONCLUSIONS AND REASONS: Claimant's late application for review of Order No. 20-UI-144997 is dismissed without prejudice.

On May 26, 2020, the appellant filed an application for review of Order No. 20-UI-144997 with EAB. ORS 657.270(6) and ORS 657.270(7)(b) required the application for review to be filed no later than March 16, 2020. The appellant's application for review was therefore late, and the application for review is dismissed.

The deadline for filing an application for review may be extended a reasonable time upon a showing of good cause. *See* ORS 657.875; OAR 471-041-0070. If the appellant believes they have good cause and

filed their late application for review within a reasonable time, the appellant may request that EAB reconsider this decision under OAR 471-041-0145.

EAB will dismiss any request for reconsideration that does not include **all five** of the following:

1. The appellant must file the request for reconsideration within 20 days of the date this decision was mailed, June 25, 2020, *and*
2. The appellant must include a statement on the request for reconsideration declaring that they sent a copy of the request to the other party, *and*
3. The appellant must provide additional specific details about the reason they filed a late application for review. For example, the appellant should include specific information about the date they received the ALJ's order (Order No. 20-UI-144997), whether they read it, whether they agreed or disagreed with the ALJ's order, the reason(s) why they did not file the application for review before the deadline, whether they or their families were ill or quarantined around the deadline, whether they could not file a timely application for review for any other reason(s) not related to illness or quarantine, how that affected their ability to file a timely application for review, and any other specific details that might help EAB determine whether or not the appellant had "good cause," which means factors or circumstances beyond their reasonable control prevented them from filing a timely application for review, *and*
4. The appellant must provide the date the circumstances that prevented them from filing a timely application for review (which they listed in response to #3, above) ceased to exist, *and*
5. The appellant must provide sufficient information to prove that they filed their application for review within seven days of that date (the date referred to in # 4).

The appellant may file a request for reconsideration in many ways; please note that you need only file *one* request for reconsideration:

1. Use your smart phone, tablet, or computer to fill out the "File a Written Argument" form, available on EAB's website: <https://www.oregon.gov/EMPLOY/EAB/Pages/default.aspx>, *or*
2. Use your smart phone, tablet, or computer to send an email to EAB at OED_EAB_OFFICE@oregon.gov, *or*
3. Send the request by U.S. mail or another delivery service, addressed to 875 Union St NE, Salem, Oregon 97311, *or*
4. Send EAB a fax at 503-378-2129.

A copy of the record in this case is enclosed with this decision.

DECISION: The application for review filed May 26, 2020 is dismissed without prejudice. Order No. 20-UI-144997 remains undisturbed.
