

EMPLOYMENT APPEALS BOARD DECISION
2020-EAB-0452

Late Application for Review Dismissed

PROCEDURAL HISTORY: On October 19, 2018, the Oregon Employment Department (the Department) served notice of an administrative decision concluding the employer discharged claimant for misconduct and disqualifying claimant from receiving unemployment insurance benefits effective June 24, 2018 (decision # 150109). Claimant filed a timely request for hearing. On October 31, 2018, the Office of Administrative Hearings (OAH) mailed notice of a hearing scheduled for November 14, 2018 at 1:30 p.m., at which claimant failed to appear. On November 14, 2018, ALJ S. Lee issued Order No. 18-UI-119701, dismissing claimant's request for hearing for failure to appear, leaving decision # 150109 undisturbed. On December 4, 2018, Order No. 18-UI-119701 became final without claimant having filed a request to reopen the November 14, 2018 hearing.

On December 10, 2018, claimant filed a late request to reopen the November 14, 2018 hearing. On December 20, 2018, OAH mailed notice of a hearing scheduled for January 7, 2019 at 8:15 a.m. to consider claimant's late request to reopen the November 14, 2018 hearing, and if granted, the merits of decision # 150109. On January 7, 2019, ALJ S. Lee issued Order No. 19-UI-122178, dismissing claimant's request for hearing for his failure to appear at the January 7, 2019 hearing, again leaving decision # 150109 undisturbed. On January 28, 2019, Order No. 19-UI-122178 became final without claimant having filed a request to reopen the January 7, 2019 hearing.

On January 29, 2019, claimant filed a late request to reopen the January 7, 2019 hearing. On February 12, 2019, OAH mailed notice of a hearing scheduled for February 26, 2019 at 4:30 p.m. to consider claimant's late request to reopen the January 7, 2019 hearing, and if granted, claimant's request to reopen the November 14, 2018 hearing, and if granted, the merits of decision # 150109. On February 26, 2019, ALJ Griffin conducted a hearing, and on February 28, 2019 issued Order No. 19-UI-125506, denying claimant's request to reopen the January 7, 2019 hearing, again leaving decision # 150109 undisturbed. On March 20, 2019, Order No. 19-UI-125506 became final without claimant having filed an application for review with the Employment Appeals Board (EAB). On June 9, 2020, claimant filed a late application for review with EAB.

CONCLUSIONS AND REASONS: Claimant's late application for review of Order No. 19-UI-125506 is dismissed.

An application for review is timely if it is filed within 20 days of the date that OAH mailed the decision for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The application for review of Order No. 19-UI-125506 was due by March 20, 2019. The appellant did not file their application for review until more than fourteen months later, on June 9, 2020. The deadline for filing a late application for review may be extended under certain circumstances. OAR 471-041-0070. In order to be considered for such an extension, however, an individual must include “a written statement describing the circumstances that prevented a timely filing.” OAR 471-041-0070(3). The appellant provided no explanation as to why the application was filed after the filing deadline expired. Because claimant did not file their application for review within the time period allowed, and did not establish that they had good cause to file a late application for review, the application for review must be dismissed.

DECISION: The application for review filed June 9, 2020 is dismissed. Order No. 19-UI-125506 remains undisturbed.
