Late Applications for Review Dismissed Without Prejudice

FINDINGS OF FACT AND PROCEDURAL HISTORY: On July 1, 2020, the Oregon Employment Department (the Department) served notice of an administrative decision concluding claimant quit work without good cause and was disqualified from receiving unemployment insurance benefits effective November 10, 2019 (decision # 153342). On July 1, 2020, the Department served notice of a second administrative decision concluding claimant quit work without good cause with a different employer and was disqualified from receiving unemployment insurance benefits effective November 10, 2019 (decision # 153614). Claimant filed a timely request for hearing on each decision.

On August 5, 2020, ALJ Roberts conducted a hearing on decision # 153342, and on August 6, 2020, issued Order No. 20-UI-152923, affirming decision # 153342. On August 5, 2020, ALJ Roberts conducted a separate hearing on decision # 153614, and on August 6, 2020, issued Order No. 20-UI-152921, affirming decision # 153614. On August 26, 2020, Orders No. 20-UI-152923 and 20-UI-152921 became final without claimant having filed timely applications for review with the Employment Appeals Board (EAB). On October 22, 2020, claimant filed late applications for review of Orders No. 20-UI-152923 and 20-UI-152921 with EAB.

Pursuant to OAR 471-041-0095 (October 29, 2006), EAB consolidated its review of Orders No. 20-UI-152923 and 20-UI-152921. For case-tracking purposes, this decision is being issued in duplicate (EAB Decisions 2020-EAB-0678 and 2020-EAB-0677).

CONCLUSIONS AND REASONS: The applications for review of Orders No. 20-UI-152923 and 20-UI-152921 should be dismissed without prejudice.

On October 22, 2020, the appellant filed an application for review of Orders No. 20-UI-152923 and 20-UI-152921 with EAB. ORS 657.270(6) and ORS 657.270(7)(b) required the application for review to be filed no later than August 26, 2020. The appellant's applications for review are therefore late, and the applications for review are dismissed.

The deadline for filing an application for review may be extended a reasonable time upon a showing of good cause. *See* ORS 657.875; OAR 471-041-0070 (May 13, 2019). If the appellant believes they have

good cause and filed their late applications for review within a reasonable time, the appellant may request that EAB reconsider this decision under OAR 471-041-0145 (May 13, 2019).

EAB will dismiss any request for reconsideration that does not include **all five** of the following:

1. The appellant must file the request for reconsideration within 20 days of the date this decision was mailed; the date this decision was mailed is November 9, 2020, making the deadline November 30, 2020 to file the request for reconsideration, *and*
2. The appellant must include a statement on the request for reconsideration declaring that they sent a copy of the request to the other party or parties, *and*
3. The appellant must provide additional specific details about the reason they filed a late application for review. For example, the appellant should include specific information about the date they received the ALJ's orders, whether they read them, whether they agreed or disagreed with the ALJ's orders, the reason(s) why they did not file the application for review before the deadline, whether they or their families were ill or quarantined around the deadline, whether they could not file a timely application for review for any other reason(s) not related to illness or quarantine, how that affected their ability to file a timely application for review, and any other specific details that might help EAB determine whether or not the appellant had "good cause," which means factors or circumstances beyond their reasonable control prevented them from filing a timely application for review, *and*
4. The appellant must provide the date the circumstances that prevented them from filing a timely application for review (which they listed in response to #3, above) ceased to exist, *and*
5. The appellant must provide sufficient information to prove that they filed their application for review within seven days of that date.

The appellant may file a request for reconsideration in many ways; please note that you need only file *one* request for reconsideration for Order No. 20-UI-152923 and *one* request for reconsideration for Order No. 20-UI-152921:

1. Use your smart phone, tablet, or computer to fill out the "File a Written Argument" form, available on EAB's website: <https://www.oregon.gov/EMPLOY/EAB/Pages/default.aspx>, *or*
2. Use your smart phone, tablet, or computer to send an email to EAB at OED_EAB_OFFICE@oregon.gov, *or*
3. Send the request by U.S. mail or another delivery service, addressed to 875 Union St NE, Salem, Oregon 97311, *or*
4. Send EAB a fax at 503-378-2129.

DECISION: The applications for review filed October 22, 2020 are dismissed without prejudice. Orders No. 20-UI-152923 and 20-UI-152921 remain undisturbed.
