

**EMPLOYMENT APPEALS BOARD DECISION**  
**2021-EAB-0040**

*Reversed & Remanded*

**PROCEDURAL HISTORY AND FINDINGS OF FACT:** On February 28, 2020, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant willfully made a misrepresentation and failed to report a material fact to obtain benefits, and assessing a \$794.00 overpayment that claimant was required to repay the Department, a \$158.80 monetary penalty, and a 10 week penalty disqualification from future benefits (decision # 195639). On March 19, 2020, decision # 195639 became final without claimant having filed a timely request for hearing. On December 1, 2020, claimant filed a late request for hearing.

On December 23, 2020, ALJ Kangas issued Order No. 20-UI-158104, dismissing claimant's request for hearing as late, subject to claimant's right to renew the request by responding to an appellant questionnaire by January 6, 2021. On January 12, 2021, claimant filed a late response to the appellant questionnaire and a timely application for review of Order No. 20-UI-158104 with the Employment Appeals Board (EAB). On January 19, 2021, ALJ Kangas mailed a letter to claimant stating that because claimant's response to the appellant questionnaire response was late, it would not be considered, another order would not be issued, that Order No. 20-UI-158104 therefore remained in effect. This matter comes before EAB based upon claimant's January 12, 2021 application for review of Order No. 20-UI-158104.

**EVIDENTIARY MATTER:** EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is claimant's response to the appellant questionnaire, marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision.

OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit(s) will remain in the record.

**CONCLUSIONS AND REASONS:** Order No. 20-UI-158104 is set aside and this matter remanded for a hearing on whether claimant's late request for hearing on decision # 195639 should be allowed and, if so, the merits of that decision.

ORS 657.269 provides that the Department's decisions become final unless a party files a request for hearing within 20 days after the date the decision is mailed. ORS 657.875 provides that the 20-day deadline may be extended a "reasonable time" upon a showing of "good cause." OAR 471-040-0010 (February 10, 2012) provides that "good cause" includes factors beyond an applicant's reasonable control or an excusable mistake, and defines "reasonable time" as seven days after those factors ceased to exist.

In their response to the appellant questionnaire, claimant indicated that she never received decision # 195639. EAB Exhibit 1 at 1. Claimant also indicated that she was prompted to file the request for hearing on December 1, 2020 because she "never heard anything." EAB Exhibit 1 at 2. However, claimant indicated in her request for hearing that she had been "denied benefits and told [that they] have to wait 10 weeks for penalty," and that she had paid on the overpayment balance, of which about \$289.00 remained at the time she filed her request for hearing. Exhibit 2 at 2.

The fact that claimant had already paid off some of the balance at the time that she filed her request for hearing suggests that claimant may have become aware of decision # 195639 at some point prior to December 1, 2020. However, the record does not clearly show how or when claimant became aware of decision # 195639, or why, if she learned about the decision prior to December 1, 2020, she did not file a request for hearing before that date. Further inquiry is needed to determine when and how claimant learned about decision # 195639, whether her failure to file a timely request for hearing was due to factors beyond her reasonable control or an excusable mistake, and if so whether she filed her hearing request within a reasonable time after those factors ceased to exist.

Order No. 20-UI-158104 therefore is reversed, and this matter remanded for a hearing on whether claimant's late request for hearing should be allowed and, if so, the merits of decision # 195639.

**DECISION:** Order No. 20-UI-158104 is set aside, and this matter remanded for further proceedings consistent with this order.

S. Alba and D. P. Hettle.

**DATE of Service: January 28, 2021**

**NOTE:** The failure of any party to appear at the hearing on remand will not reinstate Order No. 20-UI-158104 or return this matter to EAB. Only a timely application for review of the subsequent order will cause this matter to return to EAB.
