

EMPLOYMENT APPEALS BOARD DECISION
2021-EAB-0236

Affirmed
Late Request for Hearing Dismissed

PROCEDURAL HISTORY: On December 14, 2018, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant quit working for the employer without good cause and was disqualified from receiving unemployment insurance benefits effective September 30, 2018 (decision # 135439). On January 3, 2019, decision # 135439 became final without claimant having filed a request for hearing. On February 2, 2021, claimant filed a late request for hearing. ALJ Kangas reviewed claimant's hearing request, and on February 24, 2021 issued Order No. 21-UI-161495, dismissing claimant's request for hearing as late without a showing of good cause, subject to claimant's right to renew the request by responding to an appellant questionnaire by March 10, 2021. On March 15, 2021, claimant filed a late response to the appellant questionnaire and a timely application for review of Order No. 21-UI-161495 with the Employment Appeals Board (EAB). On March 29, 2021, ALJ Kangas mailed a letter to claimant stating that because claimant's response to the questionnaire was late, the Office of Administrative Hearings (OAH) would not consider it or issue another order, and that Order No. 21-UI-161495 remained in effect. This matter is before EAB based upon claimant's timely application for review of Order No. 21-UI-161495.

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence consists of claimant's response to the appellant questionnaire, and has been marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit will remain in the record.

FINDINGS OF FACT: (1) On December 14, 2018, the Department mailed decision # 135439 to claimant's address on file with the Department. Decision # 135439 stated, "You have the right to appeal this decision if you do not believe it is correct. . . . Your request for appeal must be received no later than January 3, 2019." Exhibit 1 at 2. Decision # 135439 provided a mailing address, telephone numbers, and a fax number for use to contact the Department. Exhibit 1 at 1.

(2) Claimant received decision # 135439 after it was mailed.

CONCLUSIONS AND REASONS: Claimant's late request for hearing on decision # 135439 is dismissed.

ORS 657.269 provides that the Department's decisions become final unless a party files a request for hearing within 20 days after the date the decision is mailed. ORS 657.875 provides that the 20-day deadline may be extended a "reasonable time" upon a showing of "good cause." OAR 471-040-0010 (February 10, 2012) provides that "good cause" includes factors beyond an applicant's reasonable control or an excusable mistake, and defines "reasonable time" as seven days after those factors ceased to exist.

On December 14, 2018, the Department mailed decision # 135439 to claimant at claimant's address of record on file with the Department. The 20-day deadline for claimant to file a timely request for hearing on that decision was January 3, 2019. Claimant did not file a request for hearing on decision # 135439 until February 2, 2021. Accordingly, claimant's request for hearing was late.

As a preliminary matter, claimant's appellant questionnaire response suggests that claimant is not seeking a hearing on decision # 135439 but rather wishes to request a hearing on a different claim claimant made under the Pandemic Unemployment Assistance (PUA) program. In the response, claimant stated that they "received a letter dated 01/20/21 denying my PUA claim," that they filed their hearing request on "02/02/2021," and that they were "not sure what to do from here but would like to request a review of my current claim for PUA." EAB Exhibit 1 at 1, 3. To the extent claimant is seeking a hearing on an administrative decision he received that relates to PUA, claimant should follow the instructions contained in that decision for requesting a hearing, and contact the Department if claimant has any questions.

With respect to decision # 135439, claimant did not establish that factors beyond their reasonable control prevented them from filing a timely hearing request on that decision. In claimant's questionnaire response, claimant did not deny that they received decision # 135439. Although the exact date on which claimant received that decision at their address of record is unknown, a letter duly directed and mailed is presumed to be received in the regular course of the mail. ORS 40.135(1)(q); *see also* OAR 137-003-0520(10) (January 31, 2012) ("Documents sent through the U.S. Postal Service by regular mail are presumed to have been received by the addressee, subject to evidence to the contrary."). Claimant did not rebut this presumption. Claimant did not describe any circumstances suggesting that claimant did not receive the decision or that they received it after the January 3, 2019 deadline to request a hearing. The record therefore fails to show that it was beyond claimant's reasonable control to file a timely request for hearing.

To any extent claimant's failure to file a timely hearing request for decision # 135439 was the result of a mistake on claimant's part, the record fails to show that it was an "excusable mistake" within the meaning of the administrative rules. The record does not, for example, raise a due process issue, and fails to show that any mistake was the result of inadequate notice, reasonable reliance on another, or the inability to follow directions despite substantial efforts to comply.

Because claimant failed to show that factors beyond their reasonable control or an excusable mistake prevented them from filing a hearing request for decision # 135439 by the January 3, 2019 deadline, claimant failed to establish good cause to extend the filing deadline for a hearing request beyond that date. Accordingly, claimant's late request for hearing is dismissed.
