

**EMPLOYMENT APPEALS BOARD DECISION**  
**2021-EAB-0411**

*Reversed ~ Late Request for Hearing Allowed*  
*Merits Hearing Required*

**PROCEDURAL HISTORY:** On March 5, 2021, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant was not available for work during the weeks of January 24, 2021 through February 27, 2021 and was therefore not eligible to receive unemployment insurance benefits for those weeks and until the reason for the denial had ended (decision # 70714). On March 25, 2021, decision # 70714 became final without claimant having filed a request for hearing. On April 6, 2021, claimant filed a late request for hearing. ALJ Kangas considered claimant's request, and on April 28, 2021 issued Order No. 21-UI-165729, dismissing claimant's request as late without a showing of good cause, subject to claimant's right to renew the request by responding to an appellant questionnaire by May 12, 2021. On May 18, 2021, claimant filed a late response to the appellant questionnaire with the Office of Administrative Hearings (OAH), and a timely application for review of Order No. 21-UI-165729 with the Employment Appeals Board (EAB). On May 19, 2021, ALJ Kangas mailed a letter to claimant stating that because claimant's response to the appellant questionnaire was late, OAH would not consider it or issue another order, and that Order No. 21-UI-165729 remained in effect. This matter is before EAB based upon claimant's timely application for review of Order No. 21-UI-165729.

**EVIDENTIARY MATTER:** EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is claimant's response to the appellant questionnaire, and has been marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit will remain in the record.

**FINDINGS OF FACT:** (1) Beginning in mid-February 2021, claimant "was forced to relocate several times" due to "household circumstances with [claimant's] abusive husband[.]" EAB Exhibit 1 at 2.

(2) On March 5, 2021, the Department mailed decision # 70714 to claimant at their address of record with the Department. Decision # 70714 stated, “You have the right to appeal this decision if you do not believe it is correct. Your request for appeal must be received by no later than March 25, 2021.”

(3) Claimant’s multiple moves caused them not to receive mail in a timely manner. EAB Exhibit 1 at 2. Claimant did not receive decision # 70714. EAB Exhibit 1 at 3.

(4) On April 6, 2021, claimant called the Department to check the status of their claim. EAB Exhibit 1 at 3. During the call, a Department representative informed claimant of the existence of decision # 70714. EAB Exhibit 1 at 3. On April 6, 2021, after claimant learned of the existence of the decision, claimant filed a request for hearing on decision # 70714. EAB Exhibit 1 at 3.

**CONCLUSIONS AND REASONS:** Claimant’s late request for hearing is allowed. Claimant is entitled to a hearing on the merits of decision # 70714.

ORS 657.269 provides that the Department’s decisions become final unless a party files a request for hearing within 20 days after the date the decision is mailed. ORS 657.875 provides that the 20-day deadline may be extended a “reasonable time” upon a showing of “good cause.” OAR 471-040-0010 (February 10, 2012) provides that “good cause” includes factors beyond an applicant’s reasonable control or an excusable mistake, and defines “reasonable time” as seven days after those factors ceased to exist.

Claimant’s request for hearing was due by March 25, 2021. Because claimant did not file their request for hearing until April 6, 2021, claimant’s request for hearing was late. The fact that claimant did not receive decision # 70714 and did not learn of its existence until April 6, 2021 because circumstances relating to their abusive husband forced them to relocate several times was a factor beyond claimant’s reasonable control. That factor ceased to exist when claimant learned of the existence of decision # 70714 on April 6, 2021. Claimant filed their request for hearing within seven days of when that factor ceased to exist, which was within a reasonable time after claimant learned of the existence of the decision. Because claimant established good cause and filed within a reasonable time, their late request for hearing is allowed, and claimant is entitled to a hearing on the merits of decision # 70714.

**DECISION:** Order No. 21-UI-165729 is set aside, as outlined above, and a merits hearing is required on decision # 70714.
