

EMPLOYMENT APPEALS BOARD DECISION
2021-EAB-0593

Affirmed
Ineligible for Pandemic Unemployment Assistance

PROCEDURAL HISTORY: On June 18, 2021, the Oregon Employment Department (the Department) served a Notice of Determination for Pandemic Unemployment Assistance (PUA) concluding that claimant was not entitled to receive PUA benefits effective February 2, 2020. Claimant filed a timely request for hearing. On July 20, 2021, ALJ Janzen conducted a hearing, and on July 21, 2021 issued Order No. 21-UI-170735, affirming the June 18, 2021 administrative decision and concluding that claimant was not eligible to receive PUA benefits for the weeks including March 22, 2020 through July 17, 2021 (weeks 13-20 through 28-21). On July 26, 2021, claimant filed an application for review with the Employment Appeals Board (EAB).

WRITTEN ARGUMENT: Claimant's argument contained information that was not part of the hearing record, and did not show that factors or circumstances beyond claimant's reasonable control prevented her from offering the information during the hearing. Under ORS 657.275(2) and OAR 471-041-0090 (May 13, 2019), EAB considered only information received into evidence at the hearing when reaching this decision. EAB considered claimant's argument to the extent it was based on the record.

FINDINGS OF FACT: (1) Prior to March 2020, claimant was self-employed as a general laborer performing various jobs including vehicle detailing, debris pick-up, and power-washing houses. Claimant did not file tax returns based on her self-employment because she did not earn enough money.

(2) From March 2020 through October 23, 2020, claimant was unemployed and she would remain unemployed through the week of July 17, 2021.

(3) On October 23, 2020, claimant filed an initial claim for PUA benefits. Claimant stated on her claim that she qualified for PUA benefits because she had received an offer to begin employment as a subcontractor with Husband's Construction, Inc. on March 20, 2020; however, the employer's business closed on March 19, 2019 due to COVID-19 restrictions imposed by the Governor of Oregon. Claimant claimed PUA benefits for the weeks of March 22, 2020 through July 17, 2021 (weeks 13-20 through 28-21), which are the weeks at issue. The Department did not pay claimant PUA benefits for any of the weeks at issue.

(4) Husband's Construction, Inc. was administratively dissolved on April 4, 2019 and their Construction Contractors Board (CCB) license expired on September 22, 2019.

CONCLUSIONS AND REASONS: Claimant was not entitled to receive Pandemic Unemployment Assistance benefits for weeks 13-20 through 28-21.

To be eligible to receive PUA benefits under the CARES Act, an individual must be a "covered individual" as that term is defined by the Act. Pub. L. 116-136, § 2102(a). In pertinent part, the Act defines a "covered individual" as an individual who "is not eligible for regular compensation or extended benefits under state or federal law or pandemic emergency unemployment compensation under section 2107, including an individual who has exhausted all rights to regular unemployment or extended benefits under state or federal law or pandemic emergency unemployment compensation under section 2107" and provides a self-certification that the individual "is otherwise able to work and available for work within the meaning of applicable State law," but is rendered unemployed or unavailable to work because of one or more of 11 listed reasons that relate to the COVID-19 pandemic. § 2102(a)(3)(A). Those reasons include, in relevant part, that "the individual was scheduled to commence employment and does not have a job or is unable to reach the job as a direct result of the COVID-19 public health emergency." § 2102(a)(3)(A)(ii)(I)(gg).

An individual may also meet the definition of a "covered individual" if they self-certify that they are self-employed, seeking part-time employment, lack sufficient work history, or otherwise would not qualify for regular unemployment, extended benefits, or pandemic emergency unemployment compensation, so long as they otherwise satisfy the requirements set forth under section 2102(a)(3)(A)(ii)(I) of the Act. § 2102(a)(3)(A)(ii)(II). Where benefits have not been paid, claimant has the burden to prove that the Department should have paid benefits. *Nichols v. Employment Division*, 24 Or App 195, 544 P2d 1068 (1976).

The record fails to show that claimant met any of the criteria listed in § 2102(a)(3)(A)(ii)(I) of the CARES Act such that she would qualify for PUA benefits under the definition of a "covered individual." Claimant offered evidence suggesting that Husband's Construction, Inc. offered her employment set to begin on March 20, 2020, but the purported opportunity fell through when the business had to close down on March 19, 2020 due to the Governor of Oregon's Executive action. On its face, this situation might otherwise qualify as one where an "individual was scheduled to commence employment and does not have a job . . . as a direct result of the COVID-19 public health emergency." Pub. L. 116-136, § 2102(a)(3)(A)(ii)(I)(gg). However, claimant's evidence as to this listed reason was insufficient to meet her burden of proof in light of the record documentation demonstrating that Husband's Construction, Inc. had been both administratively dissolved, and had their CCB license expire approximately six months prior to the purported job offer that she claimed to have received. In light of this evidentiary discrepancy and the lack of any other reliable and contemporaneous documentation related to the purported job offer, the preponderance of the evidence demonstrates that claimant was not unemployed due to a COVID-19-related reason per § 2102(a)(3)(A)(ii)(I) of the CARES Act and she was therefore not a "covered individual" under that law. Claimant is not eligible to receive PUA benefits for the weeks at issue.
