

EMPLOYMENT APPEALS BOARD DECISION
2021-EAB-0888

Reversed
Late Request for Hearing Allowed
Merits Hearing Required

PROCEDURAL HISTORY AND FINDINGS OF FACT: On April 1, 2021, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant voluntarily quit work without good cause and was disqualified from receiving unemployment insurance benefits effective February 28, 2021 (decision # 152438). On April 21, 2021, decision # 152438 became final without claimant having filed a request for hearing. On October 4, 2021, claimant filed a late request for hearing on decision # 152438.

ALJ Kangas considered claimant's request, and on October 12, 2021 issued Order No. 21-UI-176918, dismissing claimant's request for hearing as late, subject to claimant's right to renew the request by responding to an appellant questionnaire by October 26, 2021. On October 27, 2021, claimant filed a late response to the appellant questionnaire and a timely application for review of Order No. 21-UI-176918 with the Employment Appeals Board (EAB). On November 1, 2021, ALJ Kangas mailed a letter stating that the Office of Administrative Hearings (OAH) would not consider claimant's questionnaire response or issue another order regarding this matter because the questionnaire response was late, and that Order No. 21-UI-176918 remained in effect. This matter comes before EAB based upon claimant's October 27, 2021 application for review of Order No. 21-UI-176918.

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is claimant's response to the appellant questionnaire, marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit(s) will remain in the record.

CONCLUSIONS AND REASONS: Order No. 21-UI-176918 is reversed and this matter remanded for a hearing on the merits of decision # 152438.

ORS 657.269 provides that the Department's decisions become final unless a party files a request for hearing within 20 days after the date the decision is mailed. ORS 657.875 provides that the 20-day deadline may be extended a "reasonable time" upon a showing of "good cause." OAR 471-040-0010 (February 10, 2012) provides that "good cause" includes factors beyond an applicant's reasonable control or an excusable mistake, and defines "reasonable time" as seven days after those factors ceased to exist.

The request for hearing on decision # 152438 was due by April 21, 2021. Because claimant did not file their request for hearing until October 4, 2021, the request was late. On their response to the appellant questionnaire, claimant indicated that although they received decision # 152438 on April 2, 2021, they did not file the request for hearing immediately because they had "talked to a [Department] claims rep who explained [that claimant] would get lots of mail but to just keep claiming and she would fix [claimant's] stuff," and that claimant received "lots of denial mail." EAB Exhibit 1 at 1. Claimant also stated that they were already receiving benefits at the time that they received decision # 152438, believed that the administrative decision was "automated mail" as they were still receiving benefits, continued claiming benefits "until the system stopped letting" them, and filed the late request for hearing as soon as they were contacted by the Department. EAB Exhibit 1 at 2. From these statements, it appears that claimant believed mistakenly, but in good faith, that they were not required to file an appeal to contest decision # 152438 because a representative from the Department had told them that they did not need to do so. Therefore, the record shows that claimant failed to file a timely request for hearing due to an excusable mistake, as they reasonably relied upon the information given to them by the Department. Further, because claimant filed their late request for hearing "immediately" after the Department contacted them, the record supports the inference that, more likely than not, claimant filed the request within seven days of when the factors that prevented them from filing the timely request for hearing ceased, and therefore did so within a reasonable time.

For the above reasons, claimant had good cause for failing to file a timely request for hearing, and filed their late request for hearing within a reasonable time. Claimant's late request for hearing on decision # 152438 therefore is allowed, and claimant is entitled to a hearing on the merits of that decision.

DECISION: Order No. 21-UI-176918 is set aside, and this matter remanded for further proceedings consistent with this order.

DATE of Service: December 2, 2021

NOTE: The failure of any party to appear at the hearing on remand will not reinstate Order No. 21-UI-176918 or return this matter to EAB. Only a timely application for review of the subsequent order will cause this matter to return to EAB.
