

EMPLOYMENT APPEALS BOARD DECISION
2021-EAB-1000

Reversed & Remanded

PROCEDURAL HISTORY AND FINDINGS OF FACT: On August 2, 2021, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant had failed to register for work in accordance with the Department's rules and therefore was ineligible to receive unemployment insurance benefits for the week of July 11, 2021 through July 17, 2021 (week 28-21) and until the reason for the denial had ended. On August 23, 2021, the August 2, 2021 administrative decision became final without claimant having filed a request for hearing. On September 10, 2021, claimant filed a late request for hearing on the August 2, 2021 administrative decision.

ALJ Kangas considered claimant's request, and on September 14, 2021 issued Order No. 21-UI-174723, dismissing claimant's request for hearing as late, subject to claimant's right to renew the request by responding to an appellant questionnaire by September 28, 2021. On October 4, 2021, claimant filed a late response to the appellant questionnaire and a timely application for review of Order No. 21-UI-174723 with the Employment Appeals Board (EAB). On November 29, 2021, ALJ Kangas mailed a letter stating that the Office of Administrative Hearings (OAH) would not consider claimant's questionnaire response or issue another order regarding this matter because the questionnaire response was late, and that Order No. 21-UI-174723 remained in effect. This matter comes before EAB based upon claimant's October 4, 2021 application for review of Order No. 21-UI-174723.

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is claimant's response to the appellant questionnaire and a statement attached thereto, marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit will remain in the record.

CONCLUSIONS AND REASONS: Order No. 21-UI-174723 is set aside and this matter remanded for a hearing on whether claimant's late request for hearing on the August 2, 2021 administrative decision should be allowed and, if so, the merits of that decision.

ORS 657.269 provides that the Department's decisions become final unless a party files a request for hearing within 20 days after the date the decision is mailed. ORS 657.875 provides that the 20-day deadline may be extended a "reasonable time" upon a showing of "good cause." OAR 471-040-0010 (February 10, 2012) provides that "good cause" includes factors beyond an applicant's reasonable control or an excusable mistake, and defines "reasonable time" as seven days after those factors ceased to exist.

The request for hearing on the August 2, 2021 administrative decision was due by August 23, 2021. Because claimant did not file the request for hearing until September 10, 2021, the request was late. In a statement attached to the appellant questionnaire response, claimant stated that they were unable to file their request for hearing prior to the timely filing deadline "due to a technical difficulty." EAB Exhibit 1 at 1. Claimant also indicated on the questionnaire response that they did not receive the August 2, 2021 administrative decision until September 14, 2021, and that they did not file the request for hearing prior to the timely filing deadline because they were "unaware of that deadline." EAB Exhibit 1 at 2-3.

If claimant did not receive a copy of the August 2, 2021 administrative decision until after the appeal deadline had passed, claimant may have failed to file a timely request for hearing due to factors beyond their control. However, further inquiry is needed to determine whether claimant had good cause for filing the late request for hearing. On remand, the record should be developed to show when claimant first received or otherwise became aware of the existence of the August 2, 2021 administrative decision, what caused the delay of their receipt of the administrative decision, and whether they filed the request for hearing within a reasonable time after receiving or otherwise becoming aware of the administrative decision. Inquiry should also be made regarding what earlier efforts, if any, claimant had made to file a request for hearing, when those efforts took place, what "technical difficulty" prevented them from filing a timely request for hearing, and how and when the "technical difficulty" was resolved.

Order No. 21-UI-174723 therefore is reversed, and this matter remanded for a hearing on whether claimant's late request for hearing should be allowed and, if so, the merits of the August 2, 2021 administrative decision.

DECISION: Order No. 21-UI-174723 is set aside, and this matter remanded for further proceedings consistent with this order.

DATE of Service: December 1, 2021

NOTE: The failure of any party to appear at the hearing on remand will not reinstate Order No. 21-UI-174723 or return this matter to EAB. Only a timely application for review of the subsequent order will cause this matter to return to EAB.
