

EMPLOYMENT APPEALS BOARD DECISION
2022-EAB-0076-R

Request for Reconsideration Allowed
EAB Decision 2021-EAB-1072 Adhered to on Reconsideration
Late Application for Review Dismissed

PROCEDURAL HISTORY AND FINDINGS OF FACT: On August 16, 2021, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant failed to register for work in accordance with the Department's rules and was therefore ineligible to receive unemployment insurance benefits for the week of July 25, 2021 through July 31, 2021 (week 30-21) and until the reason for the denial had ended. Claimant filed a timely request for hearing. On December 9, 2021, ALJ Murdock conducted a hearing, and on December 13, 2021 issued Order No. 21-UI-181735, modifying the August 16, 2021 administrative decision by concluding that claimant failed to register for work in accordance with the Department's rules and was therefore ineligible to receive benefits for the weeks including July 25, 2021 through August 28, 2021 (weeks 30-21 through 34-21). On January 3, 2022, Order No. 21-UI-181735 became final without claimant having filed an application for review with the Employment Appeals Board (EAB). On January 6, 2022, claimant filed a late application for review of Order No. 21-UI-181735 with EAB. On January 21, 2022, EAB issued EAB Decision 2022-EAB-0076, dismissing claimant's late application for review as late without a showing of good cause. On January 28, 2022, claimant filed a request for reconsideration with EAB.

This decision is issued pursuant to EAB's authority under ORS 657.290(3).

CONCLUSIONS AND REASONS: Claimant's request for reconsideration is allowed. EAB Decision 2022-EAB-0076 is adhered to on reconsideration.

ORS 657.290(3) authorizes the Employment Appeals Board to reconsider any previous decision of the Employment Appeals Board, including "the making of a new decision to the extent necessary and appropriate for the correction of previous error of fact or law." "Any party may request reconsideration to correct an error of material fact or law, or to explain any unexplained inconsistency with Employment Department rule, or officially stated Employment Department position, or prior Employment Department practice." OAR 471-041-0145(1) (May 13, 2019). The request is subject to dismissal unless

it includes a statement that a copy was provided to the other parties, and is filed on or before the 20th day after the decision sought to be reconsidered was mailed. OAR 471-041-0145(2).

EAB Decision 2022-EAB-0076 dismissed claimant's late application for review of Order No. 21-UI-181735. Claimant filed a request for reconsideration of EAB Decision 2022-EAB-0076 consistent with the requirements set forth in OAR 471-041-0145. The request for reconsideration therefore is allowed. However, EAB Decision 2022-EAB-0076 is adhered to on reconsideration because claimant did not show that the decision contained an error of material fact or law, or unexplained inconsistency with Employment Department rule, or officially stated Employment Department position, or prior Employment Department practice.

An application for review is timely if it is filed within 20 days of the date that OAH mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a "reasonable time" upon a showing of "good cause." ORS 657.875; OAR 471-041-0070(2). "Good cause" means that factors or circumstances beyond the applicant's reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A "reasonable time" is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

EAB Decision 2022-EAB-0076 dismissed claimant's application for review of Order No. 21-UI-181735 because the application for review was late, and did not include a written statement describing the circumstances that prevented claimant from filing the application for review by the January 3, 2022 deadline. In claimant's request for reconsideration, she did not assert that her application for review was not late, or that she submitted a written statement with her application for review that described circumstances that prevented claimant from filing the application for review on time. Nor did claimant assert that EAB Decision 2022-EAB-0076 otherwise contained an error of material fact or law, or unexplained inconsistency with Employment Department rule, or officially stated Employment Department position, or prior Employment Department practice. For these reasons, EAB Decision 2022-EAB-0076 is adhered to on reconsideration.

DECISION: Claimant's request for reconsideration is allowed. On reconsideration, EAB Decision 2022-EAB-0076 is adhered to, as clarified herein.
