

**EMPLOYMENT APPEALS BOARD DECISION**  
**2022-EAB-0200**

*Affirmed*  
*Late Request for Hearing Dismissed*

**PROCEDURAL HISTORY:** On April 14, 2021, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant voluntarily quit work without good cause and was therefore disqualified from receiving unemployment insurance benefits effective March 22, 2020 (decision # 113115). On May 4, 2021, decision # 113115 became final without claimant having filed a request for hearing. On August 25, 2021, claimant filed a late request for hearing. ALJ Kangas considered claimant's request, and on October 18, 2021 issued Order No. 21-UI-177431, dismissing claimant's request for hearing as late, subject to claimant's right to renew the request by responding to an appellant questionnaire by November 1, 2021. On October 21, 2021, claimant filed a timely response to the appellant questionnaire. ALJ Kangas considered claimant's appellant questionnaire response, and on January 21, 2022, issued Order No. 22-UI-184501, canceling and replacing Order No. 21-UI-177431, dismissing claimant's request for hearing as late without good cause, and leaving decision # 113115 undisturbed. On February 1, 2022, claimant filed an application for review of Order No. 22-UI-184501 with the Employment Appeals Board (EAB).

**WRITTEN ARGUMENT:** EAB did not consider claimant's written argument when reaching this decision because they did not include a statement declaring that they provided a copy of their argument to the opposing party or parties as required by OAR 471-041-0080(2)(a) (May 13, 2019).

**FINDINGS OF FACT:** (1) Before April 14, 2021, claimant moved from the address the Department had on file for claimant. Exhibit 3 at 6. Claimant's sister continued to live at that address.

(2) On April 14, 2021, the Department mailed decision # 113115 to claimant's address on file with the Department. Decision # 113115 provided a mailing address, three telephone numbers, and a fax number to contact the Department. Exhibit 1 at 1. The decision stated that claimant had the right to appeal the decision if they did not believe it was correct. Exhibit 1 at 2.

(3) Claimant did not ask their sister for their mail on a regular basis after they moved out, in part because claimant was busy due to the death of a family member.

(4) On July 10, 2021, claimant's sister gave claimant their mail, including decision # 113115.

(5) On August 25, 2021, claimant filed a request for hearing on decision # 113115.

**CONCLUSIONS AND REASONS:** Claimant's late request for hearing is dismissed.

ORS 657.269 provides that the Department's decisions become final unless a party files a request for hearing within 20 days after the date the decision is mailed. ORS 657.875 provides that the 20-day deadline may be extended a "reasonable time" upon a showing of "good cause." OAR 471-040-0010 (February 10, 2012) provides that "good cause" includes factors beyond an applicant's reasonable control or an excusable mistake, and defines "reasonable time" as seven days after those factors ceased to exist.

The request for hearing on decision # 113115 was due by May 4, 2021. Because claimant did not file their request for hearing until August 25, 2021, the request was late. Even if claimant were to establish good cause to extend the May 4, 2021 deadline to file their request for a hearing because their request for hearing arose from their failure to receive decision # 113115, which was more likely than not a factor beyond claimant's reasonable control that prevented claimant from filing, on July 10, 2021, this factor beyond claimant's reasonable control ceased to exist when claimant's sister gave claimant decision # 113115. The record does not show that any factors beyond claimant's reasonable control persisted after July 10, 2021 to prevent claimant from filing an application for review. The deadline to file a request for hearing was extended to July 17, 2021, which is the seven-day "reasonable time" from July 10, 2021 when the factor that prevented a timely filing ceased to exist. Claimant filed their request for hearing on August 25, 2021, after the seven-day "reasonable time" period concluded. Accordingly, claimant did not file their late request for hearing within a reasonable time, and claimant's late request for hearing on decision # 113115 is subject to dismissal under ORS 657.875 and OAR 471-040-0010.

**DECISION:** Order No. 22-UI-184501 is affirmed.
