

**EMPLOYMENT APPEALS BOARD DECISION**  
**2022-EAB-0248**

*Late Applications for Review Dismissed*

**PROCEDURAL HISTORY:** On October 6, 2021, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant filed late claims for unemployment insurance benefits for the weeks including March 29, 2020 through April 11, 2020 (weeks 14-20 through 15-20) and April 26, 2020 through May 9, 2020 (weeks 18-20 through 19-20) and was therefore ineligible to receive benefits for those weeks (decision # 112125). Also on October 6, 2021, the Department served notice of an administrative decision concluding that claimant filed late claims for benefits for the weeks including May 17, 2020 through June 12, 2021 (weeks 21-20 through 23-21) and was therefore ineligible to receive benefits for those weeks (decision # 113301). Also on October 6, 2021, the Department served notice of an administrative decision concluding that claimant filed late claims for benefits for the weeks including June 13, 2021 through July 31, 2021 (weeks 24-21 through 30-21) and was therefore ineligible to receive benefits for those weeks (decision # 114220). On October 26, 2021, decisions # 112125, 113301, and 114220 became final without claimant having filed requests for hearing. On November 4, 2021, claimant filed late requests for hearing on decisions # 112125, 113301, and 114220.

ALJ Kangas considered claimant's requests, and on January 18, 2022 issued Orders No. 22-UI-184252, 22-UI-184276, and 22-UI-184277, dismissing the requests for hearing on decisions # 112125, 113301, and 114220 as late, subject to claimant's right to renew the requests by responding to an appellant questionnaire by February 1, 2022. On February 7, 2022, Orders No. 22-UI-184252, 22-UI-184276, and 22-UI-184277 became final without claimant having responded to the appellant questionnaire or filed applications for review with the Employment Appeals Board (EAB). On February 17, 2022, claimant filed late applications for review of Orders No. 22-UI-184252, 22-UI-184276, and 22-UI-184277 with EAB.

Pursuant to OAR 471-041-0095 (October 29, 2006), EAB consolidated its review of Orders No. 22-UI-184252, 22-UI-184276, and 22-UI-184277. For case-tracking purposes, this decision is being issued in triplicate (EAB Decisions 2022-EAB-0248, 2022-EAB-0249, and 2022-EAB-0250).

**EVIDENTIARY MATTER:** EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence consists of claimant's statement

submitted with their applications for review, and has been marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit will remain in the record.

**FINDINGS OF FACT:** (1) Order No. 22-UI-184252, mailed to claimant on January 18, 2022, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Order No. 22-UI-184252 at 2. Order No. 22-UI-184252 also stated on its Certificate of Mailing, “Any party may appeal this Order by filing a Request for Review with the Employment Appeals Board no later than February 7, 2022.”

(2) Order No. 22-UI-184276, mailed to claimant on January 18, 2022, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Order No. 22-UI-184276 at 2. Order No. 22-UI-184276 also stated on its Certificate of Mailing, “Any party may appeal this Order by filing a Request for Review with the Employment Appeals Board no later than February 7, 2022.”

(3) Order No. 22-UI-184277, mailed to claimant on January 18, 2022, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Order No. 22-UI-184277 at 2. Order No. 22-UI-184277 also stated on its Certificate of Mailing, “Any party may appeal this Order by filing a Request for Review with the Employment Appeals Board no later than February 7, 2022.”

**CONCLUSIONS AND REASONS:** Claimant’s late applications for review of Orders No. 22-UI-184252, 22-UI-184276, and 22-UI-184277 are dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The applications for review of Orders No. 22-UI-184252, 22-UI-184276, and 22-UI-184277 were due by February 7, 2022. Because claimant did not file their applications for review until February 17, 2022, the applications for review are late. Claimant provided a written statement with the applications for review. However, claimant’s written statement did not describe the circumstances that prevented claimant from filing the applications for review on time. Accordingly, claimant did not show good cause for the late applications for review, and claimant’s late applications for review are dismissed.

**DECISION:** The applications for review filed February 17, 2022 are dismissed. Orders No. 22-UI-184252, 22-UI-184276, and 22-UI-184277 remain undisturbed.
