

**EMPLOYMENT APPEALS BOARD DECISION**  
**2022-EAB-0347**

*Affirmed*  
*Late Request for Hearing Dismissed*

**PROCEDURAL HISTORY:** On August 6, 2021, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant had failed to register for work in accordance with the Department's rules and therefore was ineligible to receive unemployment insurance benefits for the week of July 18, 2021 through July 24, 2021 (week 29-21) and until the reason for the denial had ended. On August 26, 2021, the August 6, 2021 administrative decision became final without claimant having filed a request for hearing. On September 16, 2021, claimant filed a late request for hearing on the August 6, 2021 administrative decision. ALJ Kangas considered claimant's request, and on December 14, 2021 issued Order No. 21-UI-181886, dismissing claimant's request for hearing as late, subject to claimant's right to renew the request by responding to an appellant questionnaire by December 28, 2021. On January 3, 2022, claimant filed a late response to the appellant questionnaire and a timely application for review of Order No. 21-UI-181886 with the Employment Appeals Board (EAB). On March 15, 2022, ALJ Kangas mailed a letter stating that the Office of Administrative Hearings (OAH) would not consider claimant's questionnaire response or issue another order regarding this matter because the questionnaire response was late. This matter comes before EAB based upon claimant's January 3, 2022 application for review of Order No. 21-UI-181886.

**EVIDENTIARY MATTER:** EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence consists of claimant's January 3, 2022 response to the appellant questionnaire, and has been marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit will remain in the record.

**FINDINGS OF FACT:** (1) On August 6, 2021, the Department mailed the August 6, 2021 administrative decision to claimant's address on file with the Department. The August 6, 2021

administrative decision stated, “You have the right to appeal this decision if you do not believe it is correct. Your request for appeal must be received no later than 08/26/21.” Exhibit 1 at 1.

**CONCLUSIONS AND REASONS:** Claimant’s late request for hearing is dismissed.

ORS 657.269 provides that the Department’s decisions become final unless a party files a request for hearing within 20 days after the date the decision is mailed. ORS 657.875 provides that the 20-day deadline may be extended a “reasonable time” upon a showing of “good cause.” OAR 471-040-0010 (February 10, 2012) provides that “good cause” includes factors beyond an applicant’s reasonable control or an excusable mistake, and defines “reasonable time” as seven days after those factors ceased to exist.

The request for hearing on the August 6, 2021 administrative decision was due by August 26, 2021. Because claimant did not file their request for hearing until September 16, 2021, the request was late. On their appellant questionnaire response, claimant indicated that they received the administrative decision on January 31, 2021. EAB Exhibit 1 at 1. This is presumed to be an error because the decision was not issued until August 6, 2021. Claimant did not otherwise indicate when they received the decision. Under ORS 40.135(1)(q), a letter duly directed and mailed is presumed to have been received in the regular course of the mail. Therefore, it is reasonable to conclude that claimant received it within a few business days of when it was mailed, during the second week of August 2021.

Claimant also indicated on their questionnaire response that they filed the request for hearing late because they were “out of town due to the holidays” and “did not check the mail,” and also suggested that the request for hearing was filed late due to “inclement weather.” EAB Exhibit 1 at 2. It is not clear from claimant’s statement which holidays they were referring to in their response, how long they were away from home, or how “inclement weather” might have prevented them from filing a timely request for hearing. Based on the limited information provided in the questionnaire response, claimant has not shown that they were unable to file a timely request for hearing due to factors beyond their reasonable control.

Further, although claimant’s failure to file a timely request for hearing was likely the result of a mistake on claimant’s part, claimant did not show that it was an “excusable mistake” within the meaning of the administrative rules because it did not, for example, raise a due process issue, and was not the result of inadequate notice, reasonable reliance on another, or the inability to follow directions despite substantial efforts to comply.

Therefore, claimant’s late request for hearing on the August 6, 2021 administrative decision is subject to dismissal under ORS 657.875 and OAR 471-040-0010.
