

EMPLOYMENT APPEALS BOARD DECISION
2022-EAB-0387-R

Request for Reconsideration Allowed
EAB Decision 2022-EAB-0387 Adhered to on Reconsideration
Late Application for Review Dismissed

PROCEDURAL HISTORY AND FINDINGS OF FACT: On October 5, 2021, the Oregon Employment Department (the Department) served a Notice of Determination for Pandemic Unemployment Assistance (PUA) concluding that claimant was not entitled to receive PUA benefits effective February 2, 2020. On October 25, 2021, the October 5, 2021 administrative decision became final without claimant having filed a request for hearing. On November 24, 2021, claimant filed a late request for hearing. ALJ Kangas considered claimant's request, and on February 14, 2022 issued Order No. 22-UI-186339, dismissing the request as late, subject to claimant's right to renew the request by responding to an appellant questionnaire by February 28, 2022. On March 7, 2022, Order No. 22-UI-186339 became final without claimant having filed a response to the appellant questionnaire or an application for review with the Employment Appeals Board (EAB). On March 19, 2022, claimant filed a late application for review of Order No. 22-UI-186339 with EAB. On April 7, 2022, EAB issued EAB Decision 2022-EAB-0387, dismissing claimant's late application for review without prejudice. On April 26, 2022, claimant filed a request for reconsideration with EAB.

This decision is issued pursuant to EAB's authority under ORS 657.290(3).

CONCLUSIONS AND REASONS: Claimant's request for reconsideration is allowed. EAB Decision 2022-EAB-0387 is adhered to on reconsideration.

ORS 657.290(3) authorizes the Employment Appeals Board to reconsider any previous decision of the Employment Appeals Board, including "the making of a new decision to the extent necessary and appropriate for the correction of previous error of fact or law." The request is subject to dismissal unless it includes a statement that a copy was provided to the other parties, and is filed on or before the 20th day after the decision sought to be reconsidered was mailed. OAR 471-041-0145(2) (May 13, 2019).

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a "reasonable time" upon a

showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

EAB dismissed claimant’s late application for review in decision 2022-EAB-0387 without prejudice and subject to claimant filing a timely request for reconsideration within 20 days after EAB’s dismissal decision was issued. Claimant filed a request for reconsideration consistent with the requirements set forth in OAR 471-041-0145. Therefore, the request for reconsideration is allowed.

However, decision 2022-EAB-0387 is adhered to on reconsideration because claimant did not provide sufficient information in their reconsideration request to establish that they had good cause to file the late application for review in that proceeding. In a statement submitted with their April 26, 2022 request, claimant stated they received Order No. 22-UI-186339 on February 27, 2022, and that in response to the order they completed and timely mailed the appellant questionnaire response on February 28, 2022. Claimant’s Request for Reconsideration at 1. However, even if it is assumed that this was the sequence of events that occurred with respect to their *late request for hearing* on Order No. 22-UI-186339,¹ claimant’s request for reconsideration of EAB Decision 2022-EAB-0387 failed to include, as instructed in EAB Decision 2022-EAB-0387, “additional specific details about the reason they filed a *late application for review.*” EAB Decision 2022-EAB-0387 at 2. (Emphasis added). Order No. 22-UI-186339 was issued on February 14, 2022 and claimant received the order on February 27, 2022. Claimant had eight days after the receipt of Order No. 22-UI-186339 to file a timely application for review. Eight days after receipt of the order was March 7, 2022. Claimant did not file their application for review until March 19, 2022, and they did not identify any factors or circumstances beyond their reasonable control which prevented timely filing of their application for review by the March 7, 2022 deadline. Therefore, claimant did not show good cause for filing the application for review late.

DECISION: Claimant’s request for reconsideration is allowed. On reconsideration, EAB Decision 2022-EAB-0387 is adhered to as clarified herein.
