

EMPLOYMENT APPEALS BOARD DECISION
2022-EAB-0514-R-R

Request for Reconsideration Allowed
EAB Decision 2022-EAB-0514-R Remains Undisturbed

PROCEDURAL HISTORY: On March 11, 2022, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant quit working for the employer without good cause and was disqualified from receiving unemployment insurance benefits beginning October 24, 2021 (decision # 122911). Claimant filed a timely request for hearing. On April 21, 2022, ALJ S. Roberts conducted a hearing, and on April 26, 2022 issued Order No. 22-UI-192152, reversing decision # 122911 by concluding that claimant quit work with good cause and was not disqualified from receiving benefits based on the work separation. On April 29, 2022, the employer filed an application for review with the Employment Appeals Board (EAB). On July 13, 2022, EAB issued EAB Decision 2022-EAB-0514, affirming Order No. 22-UI-192152. On August 2, 2022, the employer filed a request for reconsideration of EAB Decision 2022-EAB-0514. On August 29, 2022, EAB issued EAB Decision 2022-EAB-0514-R, dismissing the employer's request for reconsideration. On August 30, 2022, the employer filed a request for reconsideration of EAB Decision 2022-EAB-0514-R.¹

This decision is issued pursuant to EAB's authority under ORS 657.290(3).

CONCLUSIONS AND REASONS: The employer's request for reconsideration is allowed. EAB Decision 2022-EAB-0514-R is adhered to on reconsideration.

ORS 657.290(3) authorizes the Employment Appeals Board to reconsider any previous decision of the Employment Appeals Board, including "the making of a new decision to the extent necessary and appropriate for the correction of previous error of fact or law." "Any party may request reconsideration to correct an error of material fact or law, or to explain any unexplained inconsistency with Employment Department rule, or officially stated Employment Department position, or prior Employment

¹ Employer's August 30, 2022 request for reconsideration is construed as a request for reconsideration of EAB Decision 2022-EAB-0514-R. If employer's August 30, 2022 request for reconsideration had been construed as a request for reconsideration of EAB Decision 2022-EAB-0514 it would have been subject to dismissal as untimely because it was filed on August 30, 2022, more than 20 days after EAB Decision 2022-EAB-0514 was issued on July 13, 2022. Pursuant to OAR 471-041-0145(2), a request for reconsideration must be filed on or before the 20th day after the decision sought to be reconsidered was mailed.

Department practice.” OAR 471-041-0145(1) (May 13, 2019). The request is subject to dismissal unless it includes a statement that a copy was provided to the other parties, and is filed on or before the 20th day after the decision sought to be reconsidered was mailed. OAR 471-041-0145(2) (May 13, 2019).

The employer filed a timely request for reconsideration within 20 days of the date EAB Decision 2022-EAB-0514-R was mailed. The employer declared that a copy of the request for reconsideration was provided to the claimant. The employer therefore filed a request for reconsideration consistent with the requirements set forth in OAR 471-041-0145, and the request for reconsideration is allowed.

The employer’s request for reconsideration does not show that EAB Decision 2022-EAB-0514-R, which dismissed the employer’s request for reconsideration because it was not served on claimant as required by OAR 471-041-0145, contained an error of material fact or law, or was inconsistent with any Department rule, officially stated Department position, or prior Department practice. EAB Decision 2022-EAB-0514-R therefore is adhered to on reconsideration. EAB Decision 2022-EAB-0514-R, dismissing the employer’s request for reconsideration of EAB Decision 2022-EAB-0514 for lack of service, remains undisturbed.

DECISION: The request for reconsideration filed on August 30, 2022 is allowed. EAB Decision 2022-EAB-0514-R is adhere to on reconsideration.
