

**EMPLOYMENT APPEALS BOARD DECISION**  
**2022-EAB-0542**

*Late Application for Review Dismissed*

**PROCEDURAL HISTORY:** On January 13, 2021, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that the employer discharged claimant for misconduct, disqualifying claimant from receiving unemployment insurance benefits effective September 4, 2020 (decision # 75402). Claimant filed a timely request for hearing. On April 4, 2022, ALJ Wardlow conducted a hearing, and on April 4, 2022 issued Order No. 22-UI-190485, reversing decision # 75402 by concluding that claimant was discharged, but not for misconduct, and was not disqualified from receiving benefits based on the work separation. On April 25, 2022, Order No. 22-UI-190485 became final without the employer having filed an application for review with the Employment Appeals Board (EAB). The employer filed an application for review of Order No. 22-UI-190485 with EAB.

**EVIDENTIARY MATTER:** EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence consists of the Application for Review of Order No. 22-UI-190485 with the postmarked envelope in which the employer submitted their application to EAB, and the written statement the employer submitted with their application for review of Order No. 22-UI-190485. The additional evidence has been marked as EAB Exhibits 1 and 2, and copies provided to the parties with this decision. Any party that objects to our admitting EAB Exhibits 1 and 2 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibits will remain in the record.

**FINDING OF FACT:** Order No. 22-UI-190485, mailed to the employer on April 4, 2022, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Order No. 22-UI-190485 at 3. Order No. 22-UI-190485 also stated on its Certificate of Mailing, “Any appeal from this Order must be filed on or before April 25, 2022 to be timely.”

**CONCLUSIONS AND REASONS:** The employer’s late application for review of Order No. 22-UI-190485 is dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The filing date of an application for review mailed to EAB is the postmark date affixed to the envelope in which it was mailed. OAR 471-041-0065(1)(b). Where the postmark date is missing or unclear, the filing date is the date that EAB determines to be the most probable date of filing. OAR 471-041-0065(2).

In this case, the employer filed the application for review by mail, but the postmark date affixed to the envelope in which it was mailed is missing or unclear. EAB Exhibit 1. EAB must therefore determine the most probable date of filing. EAB received the application for review on May 9, 2022. The U. S. Postal Service customarily delivers first class mail within one to five days.<sup>1</sup> Five days prior to May 9, 2022 was May 4, 2022, making May 4, 2022 the most probable date of filing.<sup>2</sup>

The application for review of Order No. 22-UI-190485 was due by April 25, 2022. Because the employer did not file their application for review until May 4, 2022, the application for review was late. The employer provided a written statement with the application for review. However, the employer’s written statement did not describe circumstances that prevented the employer from filing the application for review on time. Accordingly, the employer did not show good cause for the late application for review, and the employer’s late application for review is dismissed.

**DECISION:** The application for review filed May 3, 2022 is dismissed. Order No. 22-UI-190485 remains undisturbed.
