

EMPLOYMENT APPEALS BOARD DECISION
2022-EAB-0609

Application for Review Dismissed
No Justiciable Controversy

PROCEDURAL HISTORY AND FINDINGS OF FACT: On April 20, 2022, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that the employer discharged claimant, but not for misconduct, and that claimant therefore was not disqualified from receiving unemployment insurance benefits based on the work separation (decision # 152545). Claimant filed a timely request for hearing. On May 23, 2022, ALJ Kangas issued Order No. 22-UI-194370 dismissing claimant's request for hearing as presenting no justiciable controversy because decision # 152545 did not disqualify claimant from receiving benefits. On May 24, 2022, the Department served notice of an administrative decision that replaced and invalidated decision # 152545, concluding that the employer discharged claimant for misconduct, and that claimant was disqualified from receiving unemployment insurance benefits beginning February 20, 2022 (decision # 133506). On May 26, 2022, claimant filed an application for review of Order No. 22-UI-194370 with the Employment Appeals Board (EAB).

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence consists of administrative decision # 133506 mailed to the claimant on May 24, 2022, and has been marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit(s) will remain in the record.

CONCLUSIONS AND REASONS: Claimant's application for review of Order No. 22-UI-194370 presents no justiciable controversy and is dismissed.

On May 26, 2022, claimant filed with EAB an application for review of an order that dismissed claimant's request for hearing on administrative decision # 152545 as presenting no justiciable controversy because decision # 152545 concluded that claimant was not disqualified from receiving benefits based on his work separation from the employer. On May 24, 2022, however, the Department

served notice of decision #133506, which replaced and invalidated decision # 152545, concluding that claimant was disqualified from receiving benefits based on his work separation from the employer. Because decision # 152545 has been replaced by decision # 133506 and is no longer valid, claimant's application for review of the order dismissing claimant's request for hearing on decision # 152545 presents no justiciable controversy. *See accord Barcik v. Kubiacyk*, 321 Or 174, 895 P2d 765 (1995).

Claimant's application for review of Order No. 22-UI-194370 therefore is dismissed. If claimant would like to appeal decision # 133506, he must request a hearing on that decision by the June 13, 2022 appeal deadline set forth in decision # 133506.

DECISION: The application for review filed May 26, 2022 is dismissed.

DATE of Service: June 8, 2022
