

**EMPLOYMENT APPEALS BOARD DECISION**  
**2022-EAB-0650**

*Late Applications for Review Dismissed*

**PROCEDURAL HISTORY:** On August 20, 2020, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant voluntarily quit work without good cause and was therefore disqualified from receiving unemployment insurance benefits effective March 29, 2020 (decision # 95058). On September 9, 2020, decision # 95058 became final without claimant having filed a request for hearing. On October 21, 2020, the Department served notice of an administrative decision, based in part on decision # 95058, concluding that claimant received benefits to which he was not entitled and assessing an overpayment of \$4,988 in regular unemployment insurance and Federal Pandemic Unemployment Compensation (FPUC) benefits that claimant was required to repay to the Department (decision # 81838). Also on October 21, 2020, the Department served notice of an administrative decision concluding that as a result of an administrative error, claimant received benefits to which he was not entitled and assessing an overpayment of \$600 in FPUC benefits that claimant was required to repay to the Department (decision # 82202). On November 10, 2020, decisions # 81838 and 82202 became final without claimant having filed requests for hearing. On January 26, 2021, claimant filed late requests for hearing on decisions # 95058, 81838, and 82202.

ALJ Kangas considered claimant's requests, and on February 3, 2021 issued Orders No. 21-UI-160258, 21-UI-160262, and 21-UI-160260, dismissing claimant's requests for hearing on decisions # 95058, 81838, and 82202 as late, subject to claimant's right to renew the requests by responding to an appellant questionnaire by February 17, 2021. On February 16, 2021, claimant filed a timely response to the appellant questionnaire. On March 17, 2021, the Office of Administrative Hearings (OAH) mailed letters stating that Orders No. 21-UI-160258, 21-UI-160262, and 21-UI-160260 were vacated and that a hearing would be scheduled to determine whether claimant had good cause to file the late requests for hearing and, if so, the merits of decisions # 95058, 81838, and 82202.

On April 28, 2022, ALJ Scott conducted a consolidated hearing on decisions # 95058, 81838, and 82202 at which the employer failed to appear. On April 29, 2022, ALJ Scott issued Orders No. 22-UI-192550, 22-UI-192553, and 22-UI-192555, dismissing claimant's requests for hearing on decisions # 95058, 81838, and 82202, respectively, as late without showings of good cause, and leaving those administrative decisions undisturbed. On May 19, 2022, Orders No. 22-UI-192550, 22-UI-192553, and 22-UI-192555 became final without claimant having filed applications for review with the Employment

Appeals Board (EAB). On June 6, 2022, claimant filed late applications for review of Orders No. 22-UI-192550, 22-UI-192553, and 22-UI-192555 with EAB.

Pursuant to OAR 471-041-0095 (October 29, 2006), EAB consolidated its review of Orders No. 22-UI-192550, 22-UI-192553, and 22-UI-192555. For case-tracking purposes, this decision is being issued in triplicate (EAB Decisions 2022-EAB-0649, 2022-EAB-0650, and 2022-EAB-0651).

**EVIDENTIARY MATTER:** EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence consists of claimant's statement attached to his application for review, and has been marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit(s) will remain in the record.

Claimant also enclosed several documents with his statement, which contained information that was not part of the hearing record. Claimant did not show that these documents were relevant and material to EAB's determination of whether he had good cause to file the late applications for review. Under ORS 657.275(2) and OAR 471-041-0090 (May 13, 2019), EAB considered only information received into evidence at the hearing when reaching this decision, except for the additional evidence contained in EAB Exhibit 1.

**FINDING OF FACT:** (1) Order No. 22-UI-192550, mailed to claimant on April 29, 2022, stated, "You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed." Order No. 22-UI-192550 at 4. Order No. 22-UI-192550 also stated on its Certificate of Mailing, "Any appeal from this Order must be filed on or before May 19, 2022 to be timely."

(2) Order No. 22-UI-192553, mailed to claimant on April 29, 2022, stated, "You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed." Order No. 22-UI-192553 at 4. Order No. 22-UI-192553 also stated on its Certificate of Mailing, "Any appeal from this Order must be filed on or before May 19, 2022 to be timely."

(3) Order No. 22-UI-192555, mailed to claimant on April 29, 2022, stated, "You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed." Order No. 22-UI-192555 at 4. Order No. 22-UI-192555 also stated on its Certificate of Mailing, "Any appeal from this Order must be filed on or before May 19, 2022 to be timely."

**CONCLUSIONS AND REASONS:** Claimant's late applications for review of Orders No. 22-UI-192550, 22-UI-192553, and 22-UI-192555 are dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a "reasonable time" upon a

showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The applications for review of Orders No. 22-UI-192550, 22-UI-192553, and 22-UI-192555 were due by May 19, 2022. Because claimant did not file his applications for review until June 6, 2022, the applications for review were late. Claimant provided a written statement with the application for review. However, claimant’s written statement did not describe the circumstances that prevented him from filing the applications for review on time. Accordingly, claimant did not show good cause for the late applications for review, and claimant’s late applications for review are dismissed.

**DECISION:** The applications for review filed June 6, 2022 are dismissed. Orders No. 22-UI-192550, 22-UI-192553, and 22-UI-192555 remain undisturbed.
