

EMPLOYMENT APPEALS BOARD DECISION
2022-EAB-0760

Late Application for Review Dismissed

PROCEDURAL HISTORY: On May 6, 2022, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that the employer discharged claimant, but not for misconduct, and that claimant therefore was not disqualified from receiving unemployment insurance benefits based on the work separation (decision # 104610). The employer filed a timely request for hearing. On June 7, 2022, ALJ Wardlow conducted a hearing, and on June 9, 2022 issued Order No. 22-UI-195761, affirming decision # 104610. On June 29, 2022, Order No. 22-UI-195761 became final without the employer having filed an application for review with the Employment Appeals Board (EAB). On July 6, 2022, the employer filed a late application for review with (EAB).

FINDING OF FACT: Order No. 22-UI-195761, mailed to claimant on June 29, 2022, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Order No. 22-UI-195761 at 4. Order No. 22-UI-195761 also stated on its Certificate of Mailing, “Any appeal from this Order must be filed on or before June 29, 2022 to be timely.”

CONCLUSIONS AND REASONS: The employer’s late application for review of Order No. 22-UI-195761 is dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The application for review of Order No. 22-UI-195761 was due June 29, 2022. Because the employer did not file their application for review until July 6, 2022, the application for review was late. The

employer's application for review did not include a written statement describing the circumstances that prevented them from filing the application for review by the June 29, 2022 deadline. Accordingly, the employer did not show good cause for the late application for review, and the late application for review is dismissed.

DECISION: The application for review filed July 6, 2022 is dismissed. Order No. 22-UI-195761 remains undisturbed.
