**2022-EAB-0883-R**

*Request for Reconsideration Allowed*  
*EAB Decision 2022-EAB-0883 Adhered to on Reconsideration*  
*Late Application for Review of Order No. 21-UI-174057 Dismissed*

**PROCEDURAL HISTORY:** On June 11, 2021, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant was not available for work during the weeks from March 15, 2020 through April 10, 2021 and therefore was not eligible for unemployment insurance benefits for those weeks and until the reason for the denial ended (decision # 150124). Claimant filed a timely request for hearing. On September 1, 2021, ALJ McGorin conducted a hearing, and on September 3, 2021 issued Order No. 21-UI-174057, affirming decision # 150124. On September 23, 2021, Order No. 21-UI-174057 became final without claimant having filed an application for review with the Employment Appeals Board (EAB). On August 10, 2022, claimant filed a late application for review with EAB. On September 7, 2022, EAB issued EAB Decision 2022-EAB-0883, dismissing claimant's late application for review without prejudice. On September 7, 2022, claimant filed a request for reconsideration with EAB.

This decision is issued pursuant to EAB's authority under ORS 657.290(3).

**CONCLUSIONS AND REASONS:** Claimant's request for reconsideration is allowed. EAB Decision 2021-EAB-0883 is adhered to on reconsideration. Claimant's late application for review of Order No. 21-UI-174057 is dismissed.

ORS 657.290(3) authorizes the Employment Appeals Board to reconsider any previous decision of the Employment Appeals Board, including "the making of a new decision to the extent necessary and appropriate for the correction of previous error of fact or law." "Any party may request reconsideration to correct an error of material fact or law, or to explain any unexplained inconsistency with Employment Department rule, or officially stated Employment Department position, or prior Employment Department practice." OAR 471-041-0145(1) (May 13, 2019). The request is subject to dismissal unless it includes a statement that a copy was provided to the other parties, and is filed on or before the 20<sup>th</sup> day after the decision sought to be reconsidered was mailed. OAR 471-041-0145(2) (May 13, 2019).

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

EAB Decision 2021-EAB-0883 dismissed claimant’s late application for review of Order No. 21-UI-174057 without prejudice, subject to claimant filing a timely request for reconsideration within 20 days after EAB’s dismissal decision was issued. Claimant filed a request for reconsideration consistent with the requirements set forth in OAR 471-041-0145. The request for reconsideration therefore is allowed.

However, 2022-EAB-0883, which dismissed claimant’s late application for review of Order No. 21-UI-174057 without prejudice, is adhered to on reconsideration because claimant did not provide sufficient information in her reconsideration request to establish good cause for her late application for review. Claimant states in her request for reconsideration that “I didnt believe I would need to file a appeal since my case was being handled by Shawnie Good and that it would all be dismissed after I corrected all the weeks thru the PUA program.” Claimant’s Request for Reconsideration at 1. It appears from this statement that claimant received Order No. 21-UI-174057 and made a decision not to timely appeal it. This does not constitute a factor or circumstance beyond the applicant’s reasonable control that prevented timely filling. Claimant also did not specifically state when she became aware that she needed to file an appeal, and it therefore is not clear whether claimant filed the application for review within a “reasonable time” after she became aware that she needed to do so. Claimant’s late application for review of Order No. 21-UI-174057 therefore is dismissed.

**DECISION:** Claimant’s request for reconsideration is allowed. On reconsideration, EAB decision 2022-EAB-0883 is adhere to. Claimant’s late application for review of Order No. 21-UI-174057 is dismissed, leaving the order undisturbed.
