

**EMPLOYMENT APPEALS BOARD DECISION**  
**2022-EAB-0913**

*Late Application for Review Dismissed*

**PROCEDURAL HISTORY:** On June 30, 2021, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant quit working for the employer without good cause and was disqualified from receiving unemployment insurance benefits effective March 15, 2020 (decision # 94900). Claimant filed a timely request for hearing. On August 26, 2021, the Office of Administrative Hearings (OAH) served notice of a hearing scheduled for September 9, 2021. On September 9, 2021, claimant failed to appear at the hearing, and ALJ Wardlow issued Order No. 21-UI-174392, dismissing claimant's request for hearing due to her failure to appear. On September 24, 2021, claimant filed a timely request to reopen the hearing. ALJ Kangas considered the request, and on January 3, 2022 issued Order No. 22-UI-183104, denying the request, leaving Order No. 21-UI-174392 undisturbed. On January 24, 2022, Order No. 22-UI-183104 became final without claimant having filed an application for review with the Employment Appeals Board (EAB). On August 29, 2022, claimant filed a late application for review of Order No. 22-UI-183104 with EAB.

**EVIDENTIARY MATTER:** EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence consists of claimant's late application for review and written statement, and has been marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit(s) will remain in the record.

**FINDING OF FACT:** (1) Order No. 22-UI-183104, mailed to claimant on January 3, 2022 stated, "You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed." Order No. 22-UI-183104 at 3. Order No. 22-UI-183104 also stated on its Certificate of Mailing, "Any appeal from this Order must be filed on or before January 24, 2022 to be timely."

(2) Claimant did not file a timely Application for Review of Order No. 22-UI-183104 because she did not receive notice of the resulting overpayment until after the deadline for filing an application for review of Order No. 22-UI-183104 had past.

**CONCLUSIONS AND REASONS:** Claimant’s late application for review of Order No. 22-UI-183104 is dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The application for review of Order No. 22-UI-198831 was due January 24, 2022. Because claimant did not file her application for review until May 24, 2022, the application for review was late. Claimant indicates she did not file a timely application for review because she did not receive notice of the resulting overpayment until after the deadline for filing an application for review had past. EAB Exhibit 1. However, claimant did not assert or show that receiving notice of the overpayment after the deadline prevented her from filing a timely application for review, or that other circumstances beyond her reasonable control prevented her from doing so. Accordingly, claimant failed to establish good cause for the late application for review, and her late application for review is dismissed.

**DECISION:** The application for review filed August 29, 2022 is dismissed. Order No. 22-UI-183104 remains undisturbed.
