

EMPLOYMENT APPEALS BOARD DECISION
2023-EAB-0087

Late Applications for Review Dismissed

PROCEDURAL HISTORY: On October 3, 2022, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant filed a late claim for benefits for the week of August 28 through September 3, 2022 (week 35-22) and was denied benefits for that week (decision # 85708). Claimant filed a timely request for hearing. On December 13, 2022, ALJ Blam conducted a hearing, and on December 19, 2022 issued Order No. 22-UI-210252, affirming the administrative decision. On January 9, 2022, Order No. 22-UI-210262 became final without claimant or the employer having filed an application for review with the Employment Appeals Board (EAB). On January 11, 2022, the employer filed a late application for review of Order No. 22-UI-210252 with EAB. On January 12, 2022, claimant filed a late application for review of Order No. 22-UI-210252 with EAB.

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is the employer's written statement enclosed with their application for review, and has been marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit will remain in the record.

FINDING OF FACT: (1) Order No. 22-UI-210252, mailed to the parties on December 19, 2022, stated, "You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed." Order No. 22-UI-210252 at 3. Order No. 22-UI-210252 also stated on its Certificate of Mailing, "Any appeal from this Order must be filed on or before January 9, 2022 to be timely."

CONCLUSIONS AND REASONS: The employer's and claimant's late applications for review of Order No. 22-UI-210252 are dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR

471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

An application for review of Order No. 22-UI-210252 was due January 9, 2022. Because the employer did not file their application for review until January 11, 2022, the application for review was late. The employer provided a written statement with the application for review. However, the employer’s written statement did not describe the circumstances that prevented the employer from filing the application for review on time. Accordingly, the employer did not show good cause for the late application for review, and the employer’s late application for review is dismissed.

Similarly, claimant did not file his application for review until January 12, 2022, and his application therefore was late. Claimant’s application for review did not include a written statement describing the circumstances that prevented him from filing the application for review by the January 9, 2022 deadline. Accordingly, claimant did not show good cause for the late application for review, and claimant’s late application for review is dismissed.

DECISION: The applications for review filed January 11 and 12, 2023 are dismissed. Order No. 22-UI-210252 remains undisturbed.

D. Hettle and A. Steger-Bentz;
S. Serres, not participating.

DATE of Service: February 16, 2023

NOTE: You may appeal this decision by filing a Petition for Judicial Review with the Oregon Court of Appeals within 30 days of the date of service listed above. *See* ORS 657.282. For forms and information, you may write to the Oregon Court of Appeals, Records Section, 1163 State Street, Salem, Oregon 97310 or visit the Court of Appeals website at courts.oregon.gov. Once on the website, use the ‘search’ function to search for ‘petition for judicial review employment appeals board’. A link to the forms and information will be among the search results.
