

EMPLOYMENT APPEALS BOARD DECISION
2023-EAB-0826

Late Application for Review Dismissed

PROCEDURAL HISTORY: On April 18, 2023, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant was discharged for misconduct and therefore was disqualified from receiving unemployment insurance benefits effective March 26, 2023 (decision # 111811). Claimant filed a timely request for hearing. On June 8, 2023, ALJ Nyberg conducted a hearing, and on June 16, 2023 issued Order No. 23-UI-228144, affirming decision # 111811. On July 6, 2023, Order No. 23-UI-228144 became final without claimant having filed an application for review with the Employment Appeals Board (EAB). On July 26, 2023, claimant filed a late application for review of Order No. 23-UI-228144 with EAB.

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence consists of claimant's statement included with her late application for review, and has been marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit will remain in the record.

FINDING OF FACT: (1) Order No. 23-UI-228144, mailed to claimant on June 16, 2023, stated, "You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed." Order No. 23-UI-228144 at 4. Order No. 23-UI-228144 also stated on its Certificate of Mailing, "Any appeal from this Order must be filed on or before July 6, 2023 to be timely."

CONCLUSIONS AND REASONS: Claimant's late application for review of Order No. 23-UI-228144 is dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a "reasonable time" upon a showing of "good cause." ORS 657.875; OAR 471-041-0070(2). "Good cause" means that factors or

circumstances beyond the applicant's reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A "reasonable time" is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

Claimant indicated in her written statement, "I lost reception and was unable to reconnect. I tried again but couldn't get through." EAB Exhibit 1 at 1. Claimant also checked the box on the Application for Review form requesting to reopen the hearing. EAB Exhibit 1 at 1. Claimant's statement is consistent with the record, which shows that claimant initially appeared at the hearing, but dropped off of the hearing call prior to the start of testimony and did not reappear. Audio Record at 5:08. Under OAR 471-041-0060 (May 13, 2019), EAB will treat an application for review by a claimant or employer that failed to appear at a hearing as a request to reopen the hearing under ORS 657.270. Similarly, under OAR 471-040-0040(6) (February 10, 2012), the Office of Administrative Hearings (OAH) "will treat as a request to reopen the hearing any application for review that a party files with the Employment Appeals Board or the Employment Department, where the filing party failed to appear at the hearing that led to the decision on appeal, unless the applicant specifically states in the application that the applicant does not wish to have the case reopened." In this case, however, claimant did not fail to appear at the hearing, but initially appeared and then dropped off the call. As such, claimant's July 26, 2023 filing is construed as a late application for review of Order No. 23-UI-228144, rather than a request to reopen the hearing under either OAR 471-041-0060 or OAR 471-040-0040(6).

The application for review of Order No. 23-UI-228144 was due by July 6, 2023. Because claimant did not file her application for review until July 26, 2023, the application for review was late. Claimant provided a written statement with the application for review. However, claimant's written statement did not describe the circumstances that prevented her from filing the application for review on time. Accordingly, claimant did not show good cause for the late application for review, and claimant's late application for review is dismissed.

DECISION: The application for review filed July 26, 2023 is dismissed. Order No. 23-UI-228144 remains undisturbed.
