

EMPLOYMENT APPEALS BOARD DECISION
2023-EAB-1029

Application for Review Dismissed
No Justiciable Controversy

PROCEDURAL HISTORY AND FINDINGS OF FACT: On February 24, 2022, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant failed to provide information in accordance with the Department's rules and was ineligible for benefits for the week of January 30 through February 5, 2022 (week 05-22) and until the reason for the denial ended (decision # 115820). Claimant filed a timely request for hearing. On May 4, 2022, ALJ Demarest convened a hearing at which claimant failed to appear, and on May 5, 2022, issued Order No. 22-UI-192956, dismissing claimant's request for hearing due to his failure to appear.

On May 10, 2022, claimant filed a timely request to reopen the May 4, 2022 hearing. On August 30, 2023, ALJ Fraser conducted a hearing, and on August 31, 2023, issued Order No. 23-UI-234724, allowing claimant's request to reopen and reversing decision # 115820 by concluding that claimant did not fail to provide information in accordance with the Department's rules and was not ineligible for benefits for week 05-22 for that reason. On September 11, 2023, claimant filed an application for review with the Employment Appeals Board (EAB).

WRITTEN ARGUMENT: EAB considered claimant's argument in reaching this decision.

CONCLUSIONS AND REASONS: Claimant's application for review of Order No. 23-UI-234724 presents no justiciable controversy and is dismissed.

On September 11, 2023, claimant filed with EAB an application for review of an order that concluded he was **not** ineligible to receive benefits for week 05-22, based on his having complied with the Department's identity verification requirements. Claimant wrote that he filed his application for review because, "I was [denied] my one week waiting period by the mistake of Oregon Unemployment dept." Claimant's Written Argument at 1. Because claimant met eligibility requirements to receive benefits for week 05-22 based, in part, on the conclusions of the order under review, he received waiting week credit

for that week.¹ As claimant received the requested waiting week credit for week 05-22, he did not assign error to any portion of the order under review, did not request reversal of any portion of the order, and alleged no facts entitling him to further relief in this matter. Accordingly, there is no justiciable controversy before EAB based upon claimant's application for review. *See accord Barcik v. Kubiacyk*, 321 Or 174, 895 P2d 765 (1995). Because the case before EAB presents no justiciable controversy, the application for review of Order No. 23-UI-234724 is dismissed and the order remains undisturbed.

DECISION: The application for review filed September 11, 2023 is dismissed. Order No. 23-UI-234724 remains undisturbed.

You can access the survey using a computer, tablet, or smartphone. If you are unable to complete the survey online and need a paper copy of the survey, please contact our office.

¹ ORS 657.155(1)(d) provides that an unemployed individual shall be eligible to receive benefits with respect to any week only if the Director of the Employment Department finds that the individual has been unemployed for a waiting period of one week, unless the Governor has waived the required waiting period as provided in ORS 401.186.
