

**EMPLOYMENT APPEALS BOARD DECISION**  
**2023-EAB-1297**

*Affirmed*  
*Late Claims for Benefits Denied*  
*Ineligible Weeks 32-23 through 35-23*

**PROCEDURAL HISTORY:** On October 26, 2023, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant filed late claims for unemployment insurance benefits for the weeks including August 6, 2023, through September 2, 2023 (weeks 32-23 through 35-23) and therefore was ineligible to receive benefits for those weeks (decision # 144025). Claimant filed a timely request for hearing. On November 9, 2023, ALJ Goodrich conducted a hearing, and on November 17, 2023, issued Order No. 23-UI-241422, affirming decision # 144025. On November 27, 2023, claimant filed an application for review with the Employment Appeals Board (EAB).

**WRITTEN ARGUMENT:** EAB considered claimant's written argument in reaching this decision. Claimant's argument cited the mental health difficulties that claimant stated caused him to fail to make timely weekly claims for benefits in this case and contended that OAR 471-030-0045(5) (January 11, 2018) and ORS 657.155(1) provide avenues to make a good cause exception for claimant's failure to file his weekly claims in a timely manner. Written Argument at 2, 5; Audio Record at 15:32.

Neither provision authorizes a good cause exception to be made for claimant's late claims in this case. OAR 471-030-0045(5) states that the Director of the Employment Department "may, with respect to individual claimants or groups of claimants, direct that continued claims be filed on any reporting schedule appropriate to existing facilities and conditions." While this provision would authorize the Department to accept continued claims for benefits on a different reporting schedule if directed to adopt such a different reporting schedule by the Director, there is no evidence the Department was directed to apply any modified reporting schedule in this case. Instead, the typical rule set forth by OAR 471-030-0045(4) applied in this case, and that rule required claimant to file his weekly claims for benefits no later

than seven days following the end of each week for which benefits were claimed, which claimant failed to do.

Nor does ORS 657.155(1) authorize the Department to accept claimant's late claims for benefits in this case. Claimant's written argument cites to language from ORS 657.155(1)(a) that gives the Department discretion to waive or alter a claimant's work registration requirements. A different provision, ORS 657.155(1)(b), governs claimant's duty to file weekly claims for benefits. That provision states that to be eligible for a week of benefits, an individual must have made "a claim for benefits with respect to such week in accordance with ORS 657.260." ORS 657.260(1), in turn, provides that claims for benefits "shall be filed in accordance with such regulations as the Director of the Employment Department may prescribe." The operative prescribed regulation is OAR 471-030-0045(4) which, as stated above, required claimant to file his weekly claims for benefits no later than seven days following the end of each week for which benefits were claimed. Claimant failed to do so.

EAB reviewed the entire hearing record. On *de novo* review and pursuant to ORS 657.275(2), the order under review is **adopted**.

**DECISION:** Order No. 23-UI-241422 is affirmed.

S. Serres and A. Steger-Bentz;  
D. Hettle, not participating.

**DATE of Service:** January 5, 2024

**NOTE:** You may appeal this decision by filing a Petition for Judicial Review with the Oregon Court of Appeals within 30 days of the date of service listed above. *See* ORS 657.282. For forms and information, you may write to the Oregon Court of Appeals, Records Section, 1163 State Street, Salem, Oregon 97310 or visit the Court of Appeals website at [courts.oregon.gov](https://courts.oregon.gov).
