

EMPLOYMENT APPEALS BOARD DECISION
2023-EAB-1303

Late Applications for Review Dismissed

PROCEDURAL HISTORY: On September 14, 2023, the Oregon Employment Department (the Department) served notice of an administrative decision concluding claimant did not actively seek work from July 16 through August 19, 2023 and was not eligible for benefits for that period (decision # 123855). Also on September 14, 2023, the Department served notice of an administrative decision concluding that claimant was not able to work from July 16 through September 9, 2023 and was not eligible for that period and until the reason for her denial ended (decision # 121938).

Claimant filed timely requests for hearing on decisions # 123855 and 121938. On October 30, 2023, ALJ Lucas conducted a hearing, and on November 1, 2023, issued Order No. 23-UI-240103 modifying decision # 123855 by concluding claimant did not actively seek work and was not eligible for benefits from July 16 through July 29, 2023, but was actively seeking work and eligible for benefits from July 30 through August 19, 2023, based on her search for work. Also on November 1, 2023, ALJ Lucas issued Order No. 23-UI-240104, modifying decision # 121938 by concluding that claimant was eligible for benefits the week of July 16 through 22, 2023 and from September 3 through 30, 2023, but not eligible for benefits from July 23 through September 2, 2023, based on her ability to work.

On November 21, 2023, Orders No. 23-UI-240103 and 23-UI-240104 became final without claimant having filed applications for review with the Employment Appeals Board (EAB). On November 29, 2023, claimant filed late applications for review of Orders No. 23-UI-240103 and 23-UI-240104 with EAB.

Pursuant to OAR 471-041-0095 (October 29, 2006), EAB consolidated its review of Orders No. 23-UI-240103 and 23-UI-240104. For case-tracking purposes, this decision is being issued in duplicate (EAB Decisions 2023-EAB-1304 and 2023-EAB-1303).

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is a copy of the written statement claimant included with her application for review, and has been marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within

ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit will remain in the record.

FINDING OF FACT: (1) Order No. 23-UI-240103 mailed to claimant on November 1, 2023, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Order No. 23-UI-240103 at 5. Order No. 23-UI-240103 also stated on its Certificate of Mailing, “Any appeal from this Order must be filed on or before November 21, 2023 to be timely.”

(2) Order No. 23-UI-240104, mailed to claimant on November 1, 2023, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Order No. 23-UI-240104 at 4. Order No. 23-UI-240104 also stated on its Certificate of Mailing, “Any appeal from this Order must be filed on or before November 21, 2023 to be timely.”

CONCLUSIONS AND REASONS: Claimant’s late applications for review of Orders No. 23-UI-240103 and 23-UI-240104 are dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The applications for review of Orders No. 23-UI-240103 and 23-UI-240104 were due November 21, 2023. Because claimant did not file their applications for review until November 29, 2023, the applications for review were late. Claimant provided a written statement with the applications for review. However, claimant’s written statement did not describe the circumstances that prevented her from filing the applications for review on time. EAB Exhibit 1. Accordingly, claimant did not show good cause for the late applications for review, and claimant’s late applications for review are dismissed.

DECISION: The applications for review filed November 29, 2023 are dismissed. Orders No. 23-UI-240103 and 23-UI-240104 remain undisturbed.
