

EMPLOYMENT APPEALS BOARD DECISION
2024-EAB-0212

Late Application for Review Dismissed

PROCEDURAL HISTORY: On November 4, 2020, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant was discharged by the employer, but not for misconduct, and was not disqualified from receiving benefits based on the work separation (decision # 120219). The employer filed a timely request for hearing. On March 22, 2021, the Office of Administrative Hearings (OAH) served notice of a hearing scheduled for March 31, 2021. On March 31, 2021, ALJ Davis conducted a hearing at which claimant failed to appear, and issued Order No. 21-UI-163831, reversing decision # 120219 by concluding that claimant quit working for the employer without good cause and was disqualified from receiving benefits effective May 17, 2020.

On April 9, 2021, claimant filed a timely request to reopen the March 31, 2021, hearing. On July 24, 2023, OAH served notice of a hearing scheduled for August 3, 2023. On August 3, 2023, claimant failed to appear at the hearing, and ALJ Mott issued Order No. 23-UI-232288, dismissing claimant's request to reopen the March 31, 2021, hearing due to claimant's failure to appear at the August 3, 2023, hearing, leaving Order No. 21-UI-163831 undisturbed.

On August 21, 2023, claimant filed a timely request to reopen the August 3, 2023, hearing. ALJ Scott considered claimant's request, and on February 6, 2024, issued Order No. 24-UI-247456, denying the request and leaving Order No. 23-UI-232288 undisturbed. On February 26, 2024, Order No. 24-UI-247456 became final without claimant having filed an application for review with the Employment Appeals Board (EAB). On February 27, 2024, claimant filed a late application for review of No. 24-UI-247456 with EAB.

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence consists of claimant's written statement enclosed with the application for review, marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit will remain in the record.

FINDING OF FACT: (1) Order No. 24-UI-247456, mailed to claimant on February 6, 2024, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Order No. 24-UI-247456 at 3. Order No. 24-UI-247456 also stated on its Certificate of Mailing, “Any appeal from this Order must be filed on or before February 26, 2024, to be timely.”

CONCLUSIONS AND REASONS: Claimant’s late application for review of Order No. 24-UI-247456 is dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The application for review of Order No. 24-UI-247456 was due by February 26, 2024. Because claimant did not file their application for review until February 27, 2024, the application for review was late. Claimant provided a written statement with the application for review. However, claimant’s written statement only addressed the reason that they failed to appear at the August 3, 2023, hearing, and did not describe the circumstances that prevented them from filing the application for review on time. *See* EAB Exhibit 1 at 1–3 (regarding claimant’s medical condition in July and August 2023). Accordingly, claimant did not show good cause for the late application for review, and claimant’s late application for review is dismissed.

DECISION: The application for review filed February 27, 2024, is dismissed. Order No. 24-UI-247456 remains undisturbed.
