

EMPLOYMENT APPEALS BOARD DECISION
2024-EAB-0275

Late Application for Review Dismissed

PROCEDURAL HISTORY: On March 2, 2021, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant willfully misrepresented his work separation from the employer to obtain benefits and therefore received \$38,220 in state and federal benefits that he must repay, assessing a \$2,195.10 monetary penalty, and disqualifying claimant for 52 weeks of future benefits. Claimant filed a timely request for hearing. On December 13 and December 28, 2023 and February 5, 2024, ALJ Chiller conducted a hearing, and February 21, 2024 issued Order No. 24-UI-248530, modifying the Department's decision by concluding that claimant received \$38,220 in state and federal benefits that he must repay, but did not willfully misrepresent his work separation from the employer to obtain benefits, and therefore was not assessed a monetary penalty or disqualified for future benefits. On March 12, 2024, Order No. 24-UI-248530 became final without claimant having filed an application for review with the Employment Appeals Board (EAB). On March 15, 2024, claimant filed a late application for review with EAB.

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence claimant's application for review and the envelope in which it was mailed, and has been marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit(s) will remain in the record.

FINDINGS OF FACT: (1) Order No. 24-UI-248530, mailed to claimant on February 21, 2024, stated, "You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed." Order No. 24-UI-248530 at 11. Order No. 24-UI-248530 also stated on its Certificate of Mailing, "Any appeal from this Order must be filed on or before March 12, 2024 to be timely."

(2) Claimant filed his application for review of Order No. 24-UI-248530 by mail. The postmark date affixed to the envelope in which the application was mailed is March 15, 2024. EAB Exhibit 1.

CONCLUSIONS AND REASONS: Claimant’s late application for review of Order No. 24-UI-248530 is dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The application for review of Order No. 24-UI-248530 was due March 12, 2024. The filing date for an application for review filed by mail is the postmark date affixed to the envelope in which the application was mailed. OAR 471-041-0065(1)(b) (May 13, 2019). The postmark date on the envelope in which claimant’s application for review was mailed is March 15, 2024, which therefore is the filing date. Because claimant did not file his application for review until March 15, 2024, the application for review was late. Claimant’s application for review did not include a written statement describing the circumstances that prevented him from filing the application for review by the March 12, 2024 deadline. Accordingly, claimant did not show good cause for the late application for review, and his late application for review is dismissed.

DECISION: The application for review filed March 15, 2024 is dismissed. Order No. 24-UI-248530 remains undisturbed.
