EMPLOYMENT APPEALS BOARD DECISION
2024-EAB-0368

Late Applications for Review Dismissed

PROCEDURAL HISTORY: On May 23, 2022, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant was denied benefits beginning June 27, 2021, because he quit working for the employer without good cause (decision # 85209). On June 13, 2022, decision # 85209 became final without claimant having filed a request for hearing. On June 17, 2022, the Department served notice of an administrative decision based partly on decision # 85209, concluding that claimant willfully misrepresented the nature of his work separation from the employer to obtain \$4,923 in benefits that he must repay, and was assessed a \$738.45 monetary penalty and disqualified for 27 weeks of future benefits (decision # 193044). On July 7, 2022, decision # 193044 became final without claimant having filed a request for hearing.

On October 31, 2023, filed late requests for hearing on decisions # 85209 and 193044. ALJ Kangas considered claimant's requests, and on November 7, 2023, issued Orders No. 23-UI-240589 and 23-UI-240593, dismissing that requests as late, subject to claimant's right to renew the requests by responding to an appellant questionnaire by November 21, 2023. Claimant filed a timely response to the appellant questionnaire. On January 23, 2024, the Office of Administrative Hearings (OAH) mailed letters cancelling and vacating Orders No. 23-UI-240589 and 23-UI-240593, and notifying the parties that hearings would be scheduled on whether to allow claimant's late requests for hearing and, if so, the merits of decisions # 85209 and 193044. On February 12, 2024, OAH served notice that the hearings were scheduled for March 12, 2024. On March 12, 2024, ALJ Frank conducted the hearings, and on March 20, 2024, issued Orders No. 24-UI-250521 and 24-UI-250520, re-dismissing claimant's requests for hearing as late without good cause, leaving decisions # 85209 and 193044 undisturbed. On April 9, 2024, Orders No. 24-UI-250521 and 24-UI-250520 became final without claimant having filed an application for review with the Employment Appeals Board (EAB). On April 11, 2024, claimant filed late applications for review of Orders No. 24-UI-250521 and 24-UI-250520 with EAB.

Pursuant to OAR 471-041-0095 (October 29, 2006), EAB consolidated its review of Orders No. 24-UI-250521 and 24-UI-250520. For case-tracking purposes, this decision is being issued in duplicate (EAB Decisions 2024-EAB-0368 and 2024-EAB-0367).

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is copies of claimant’s applications for review and the envelope in which they were mailed to EAB, and has been marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit(s) will remain in the record.

FINDINGS OF FACT: (1) Orders No. 24-UI-250521 and 24-UI-250520, mailed to claimant on March 20, 2024, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Orders No. 24-UI-250521 and 24-UI-250520 at 3. Orders No. 24-UI-250521 and 24-UI-250520 also stated on their Certificates of Mailing, “Any appeal from this Order must be filed on or before April 9, 2024, to be timely.”

(2) Claimant filed his applications for review of Orders No. 24-UI-250521 and 24-UI-250520 by mail. The postmark date on the envelope in which claimant mailed his applications for review is April 11, 2024.

CONCLUSIONS AND REASONS: Claimant’s late applications for review of Orders No. 24-UI-250521 and 24-UI-250520 are dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The applications for review of Orders No. 24-UI-250521 and 24-UI-250520 were due April 9, 2024. The filing date for an application for review filed by mail is the postmark date affixed to the envelope in which the application was mailed. OAR 471-041-0065(1)(b) (May 13, 2019). The postmark date on the envelope in which claimant mailed his applications for review is April 11, 2024. EAB Exhibit 1 at 3. April 11, 2024, therefore is the filing date. Because claimant did not file his applications for review until April 11, 2024, the applications for review were late. Claimant’s applications for review did not include a written statement describing circumstances preventing claimant from filing the applications for review by the April 9, 2024, deadline. EAB Exhibit 1 at 1-2. Accordingly, claimant did not show good cause for the late applications for review, and his late applications for review are dismissed.

DECISION: The applications for review filed April 11, 2024, are dismissed. Order No. 24-UI-250521 and 24-UI-250520 remain undisturbed.
