

EMPLOYMENT APPEALS BOARD DECISION
2024-EAB-0473

Application for Review Dismissed
No Justiciable Controversy

PROCEDURAL HISTORY AND FINDINGS OF FACT: On February 26, 2024, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant was denied benefits for the weeks from December 24, 2023, through January 27, 2024, and until he provided information the Department had asked him to provide by January 2, 2024 (decision # 75223). On March 18, 2024, decision # 75223 became final without claimant having filed a request for hearing. On March 21, 2024, claimant filed a late request for hearing. ALJ Kangas considered claimant's request, and on April 16, 2024, issued Order No. 24-UI-252372, dismissing the request as late without a showing of good cause, subject to claimant's right to renew the request by responding to an appellant questionnaire by April 30, 2024. Claimant filed a timely response to the appellant questionnaire.

On April 23, 2024, the Office of Administrative Hearings (OAH) mailed a letter stating that based on claimant's appellant questionnaire response, Order No. 24-UI-252372 was vacated and that a hearing would be scheduled to determine whether to allow claimant's late request for hearing and, if so, the merits of decision # 75223. On May 9, 2024, ALJ Janzen conducted the hearing, and on May 10, 2024, issued Order No. 24-UI-253893, allowing claimant's late request for hearing and reversing decision # 75223 by concluding that claimant was eligible for benefits for the weeks from December 24, 2023, through March 2, 2024 (weeks 52-23 through 09-24) because he had not received the Department's request to provide the required information. On May 29, 2024, claimant filed an application for review of Order No. 24-UI-253893 with the Employment Appeals Board (EAB).

CONCLUSIONS AND REASONS: Claimant's application for review of Order No. 24-UI-253893 presents no justiciable controversy and is dismissed.

On May 29, 2024, claimant filed with the Employment Appeals Board (EAB) an application for review of an order that allowed the appellant benefits. Claimant did not assign error to any portion of that order, did not request reversal of any portion of the order, and alleged no facts entitling claimant to further relief in this matter. Accordingly, there is no justiciable controversy before EAB based upon claimant's application for review. *See accord Barcik v. Kubiacyk*, 321 Or 174, 895 P2d 765 (1995). Because the

case before EAB presents no justiciable controversy, the application for review of Order No. 24-UI-253893 is dismissed and Order No. 24-UI-253893 remains undisturbed.

DECISION: The application for review filed May 29, 2024, is dismissed. Order No. 24-UI-253893 remains undisturbed.

S. Serres and D. Hettle;
A. Steger-Bentz, not participating.

DATE of Service: June 11, 2024

NOTE: You may appeal this decision by filing a Petition for Judicial Review with the Oregon Court of Appeals within 30 days of the date of service listed above. *See* ORS 657.282. For forms and information, you may write to the Oregon Court of Appeals, Records Section, 1163 State Street, Salem, Oregon 97310 or visit the Court of Appeals website at courts.oregon.gov.
