

**EMPLOYMENT APPEALS BOARD DECISION**  
**2024-EAB-0536**

*Late Applications for Review Dismissed*

**PROCEDURAL HISTORY:** On August 27, 2019, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that quit working for the employer without good cause and was disqualified from receiving benefits effective July 21, 2019 (decision # 114654). On August 28, 2019, the Department served notice of an administrative decision based in part on decision # 114654, concluding that claimant willfully made a misrepresentation and failed to report a material fact to obtain benefits, and assessing a \$1,416 overpayment that claimant was required to repay, a \$283.20 monetary penalty, and a nine-week penalty disqualification from future benefits (decision # 194159). Claimant filed timely requests for hearing on decisions # 114654 and 194159. On October 2, 2019, ALJ Frank conducted a hearing, and on October 4, 2019, issued Orders No. 19-UI-137584 and 19-UI-137583, affirming decisions # 114654 and 194159. On October 24, 2019, Orders No. 19-UI-137584 and 19-UI-137583 became final without claimant having filed an application for review with the Employment Appeals Board (EAB).

On July 14, 2024, claimant filed late applications for review of Orders No. 19-UI-137584 and 19-UI-137583 with EAB. Pursuant to OAR 471-041-0095 (October 29, 2006), EAB consolidated its review of Orders No. 19-UI-137584 and 19-UI-137583. For case-tracking purposes, this decision is being issued in duplicate (EAB Decisions 2024-EAB-0536 and 2024-EAB-0537).

**EVIDENTIARY MATTER:** EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is claimant’s written statement attached to her late applications for review, marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit will remain in the record.

**FINDINGS OF FACT:** (1) Order No. 19-UI-137584, mailed to claimant on October 4, 2019, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Order No. 19-UI-137584 at 3.

Order No. 19-UI-137584 also stated on its Certificate of Mailing, “Any appeal from this Order must be filed on or before October 24, 2019, to be timely.”

(2) Order No. 19-UI-137583, mailed to claimant on October 4, 2019, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Order No. 19-UI-137583 at 6. Order No. 19-UI-137583 also stated on its Certificate of Mailing, “Any appeal from this Order must be filed on or before October 24, 2019, to be timely.”

**CONCLUSIONS AND REASONS:** Claimant’s late applications for review of Orders No. 19-UI-137584 and 19-UI-137583 are dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The applications for review of Orders No. 19-UI-137584 and 19-UI-137583 were due by October 24, 2019. Because claimant did not file her applications for review until July 14, 2024, the applications for review were late. Claimant provided a written statement with the applications for review. However, claimant’s written statement did not describe circumstances preventing her from filing the applications for review on time. Accordingly, claimant did not show good cause for the late applications for review of Orders No. 19-UI-137584 and 19-UI-137583, and claimant’s late applications for review are dismissed.

**DECISION:** The applications for review of Orders No. 19-UI-137584 and 19-UI-137583 filed July 14, 2024, are dismissed. Orders No. 19-UI-137584 and 19-UI-137583 remain undisturbed.
