

EMPLOYMENT APPEALS BOARD DECISION
2024-EAB-0585

Late Application for Review Dismissed

PROCEDURAL HISTORY: On April 11, 2023, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant failed to provide information in accordance with the Department’s rules and was therefore ineligible to receive unemployment insurance benefits for the week of March 26, 2023, through April 1, 2023 (week 13-23) and until the reason for the denial ended (decision # 75556). On May 1, 2023, decision # 75556 became final without claimant having filed a request for hearing. On July 26, 2023, claimant filed a late request for hearing. ALJ Kangas considered the request, and on January 18, 2024, issued Order No. 24-UI-245711, dismissing the request as late, subject to claimant’s right to renew the request by responding to an appellant questionnaire by February 1, 2024. On January 30, 2024, claimant filed a timely response to the appellant questionnaire. On February 29, 2024, the Office of Administrative Hearings (OAH) mailed a letter stating that Order No. 24-UI-245711 was vacated and that a hearing would be scheduled to determine whether claimant’s late request for hearing should be allowed and, if so, the merits of decision # 75556. On March 18, 2024, ALJ Enyinnaya conducted a hearing at which the Department failed to appear, and on March 27, 2024, issued Order No. 24-UI-250983, re-dismissing claimant’s request for hearing as late without good cause and leaving decision # 75556 undisturbed. On April 16, 2024, Order No. 24-UI-250983 became final without claimant having filed an application for review with the Employment Appeals Board (EAB). On August 5, 2024, claimant filed a late application for review of Order No. 24-UI-250983 with EAB.¹

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is the statement contained within claimant’s application for review and has been marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of

¹ Though construed as a late application for review of Order No. 24-UI-250983, claimant’s filing was in the form of a request for hearing to challenge the continued denial of benefits for “the first two weeks of July 2023” (weeks 27-23 and 28-23) based on the indefinite period of ineligibility imposed by decision # 75556. EAB Exhibit 1 at 4. The Department’s records suggest that claimant provided the requested information at issue on July 21, 2023, and the Department ended the period of ineligibility following the week of July 9, 2023 through July 15, 2023 (week 28-23).

our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit will remain in the record.

FINDING OF FACT: (1) Order No. 24-UI-250983, mailed to claimant on March 27, 2024, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Order No. 24-UI-250983 at 3. Order No. 24-UI-250983 also stated on its Certificate of Mailing, “Any appeal from this Order must be filed on or before April 16, 2024, to be timely.”

CONCLUSIONS AND REASONS: Claimant’s late application for review of Order No. 24-UI-250983 is dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The application for review of Order No. 24-UI-250983 was due by April 16, 2024. Because claimant did not file her application for review until August 5, 2024, the application for review was late. Claimant provided a written statement with the application for review. However, claimant’s written statement did not describe the circumstances that prevented her from filing the application for review on time. Accordingly, claimant did not show good cause for the late application for review, and claimant’s late application for review is dismissed.

DECISION: The application for review filed August 5, 2024, is dismissed. Order No. 24-UI-250983 remains undisturbed.
