

EMPLOYMENT APPEALS BOARD DECISION
2024-EAB-0697

Application for Review Dismissed
No Justiciable Controversy

PROCEDURAL HISTORY AND FINDINGS OF FACT: On April 10, 2024, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant had failed to provide information to the Department by failing to verify his identity and was ineligible for benefits effective April 7, 2024 (decision # L0003594610).¹ Claimant filed a timely request for hearing. On July 25, 2024, ALJ Chiller conducted a hearing, and on August 5, 2024, issued Order No. 24-UI-261530, reversing decision # L0003594610 by concluding that claimant did not fail to provide information to the Department, and was eligible for benefits for the week of April 7 through April 13, 2024 (week 15-24). On August 26, 2024, Order No. 24-UI-261530 became final without claimant having filed an application for review with the Employment Appeals Board (EAB). On October 1, 2024, claimant filed a late application for review with EAB.

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence consists of the written statement claimant included with the application for review and documents attached thereto, and has been marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit will remain in the record.

CONCLUSIONS AND REASONS: Claimant's late application for review of Order No. 24-UI-261530 presents no justiciable controversy and is dismissed.

On October 1, 2024, claimant filed with the Employment Appeals Board (EAB) a late application for review of an order that allowed claimant benefits. Claimant did not assign error to any portion of that order, did not request reversal of any portion of the order, and alleged no facts entitling claimant to

¹ Decision # L0003594610 stated that claimant was denied benefits effective April 9, 2024. This date appears to be error, however, as April 9, 2024, was a Tuesday, and benefit denials begin on the Sunday of the effective week. As such, it is presumed that the Department intended to deny claimant benefits effective April 7, 2024.

further relief in this matter. Accordingly, there is no justiciable controversy before EAB based upon claimant's late application for review. *See accord Barcik v. Kubiacyk*, 321 Or 174, 895 P2d 765 (1995). Because the case before EAB presents no justiciable controversy, the application for review of Order No. 24-UI-261530 is dismissed and Order No. 24-UI-261530 remains undisturbed.

DECISION: The application for review filed October 1, 2024, is dismissed. Order No. 24-UI-261530 remains undisturbed.

S. Serres and D. Hettle;
A. Steger-Bentz, not participating.

DATE of Service: October 21, 2024

NOTE: You may appeal this decision by filing a Petition for Judicial Review with the Oregon Court of Appeals within 30 days of the date of service listed above. *See* ORS 657.282.
