

EMPLOYMENT APPEALS BOARD DECISION
2024-EAB-0700

Late Applications for Review Dismissed

PROCEDURAL HISTORY: On June 14, 2023, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant quit work without good cause and was disqualified from receiving benefits effective May 7, 2023 (decision # 134555). On July 5, 2023, decision # 134555 became final without claimant having filed a request for hearing. On June 5, 2024, the Department served notice of an administrative decision concluding that claimant was not available for work from May 19 through 25, 2024 (week 21-24) and was not eligible for benefits for that week (decision # L0004388285). On June 25, 2024, decision # L0004388285 became final without claimant having filed a request for hearing. Also on June 5, 2024, the Department served notice of an administrative decision concluding that claimant did not actively seek work from May 12 through 18, 2024 (week 20-24) and was ineligible for benefits during that week (decision # L0004334025). On June 25, 2024, decision # L0004334025 became final without claimant having filed a request for hearing. On June 11, 2024, the Department served notice of an administrative decision concluding that claimant was not able to work during from May 5 through 11, 2024 (week 19-24)¹ and was nor eligible for benefits for that week (decision # L0004627930). On July 1, 2024, decision # L0004627930 became final without claimant having filed a request for hearing.

On July 18, 2024, claimant filed late requests for hearing on decisions # 134555, L0004388285, L0004334025, and L0004627930. ALJ Scott considered claimant's requests, and on September 6, 2024, Orders No. 24-UI-265232, 24-UI-265241, 24-UI-265242, and 24-UI-265236, dismissing the requests as late, subject to claimant's right to renew the requests by responding to an appellant questionnaire by September 20, 2024. On September 26, 2024, Orders No. 24-UI-265232, 24-UI-265241, 24-UI-265242, and 24-UI-265236 became final without claimant having filed an appellant questionnaire response or applications for review with the Employment Appeals Board (EAB).

¹ Decision # L0004627930 stated, "We have **denied** your benefits on this claim from May 5, 2024 to May 10, 2025." Order No. 24-UI-265236 Exhibit 1 at 1 (emphasis added). However, as the end of the week beginning May 5, 2024 was May 11, 2024, it is presumed that the reference to May 10, 2025 was a typographical error and that the administrative decision intended to state May 11, 2024. The procedural history of this decision is drafted consistent with the view that Decision # L0004627930 intended to state May 11, 2024, as the denial end date.

On October 3, 2024, claimant filed a late appellant questionnaire response and late applications for review of Orders No. 24-UI-265232, 24-UI-265241, 24-UI-265242, and 24-UI-265236 with EAB. Pursuant to OAR 471-041-0095 (October 29, 2006), EAB consolidated its review of Orders No. 24-UI-265232, 24-UI-265241, 24-UI-265242, and 24-UI-265236. For case-tracking purposes, this decision is being issued in quadruplicate (EAB Decisions 2024-EAB-0700, 2024-EAB-0703, 2024-EAB-0702, and 2024-EAB-0701).

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence consists of claimant’s late appellant questionnaire response, which is claimant’s written statement included with their late applications for review. The written statement has been marked as EAB Exhibit 1, and a copy provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 must submit such objection to this office in writing, setting forth the basis of the objection in writing, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibit will remain in the record.

FINDINGS OF FACT: (1) Order No. 24-UI-265232, mailed to claimant on September 6, 2024, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Order No. 24-UI-265232 at 2. Order No. 24-UI-265232 also stated on its Certificate of Mailing, “Any party may appeal this Order by filing a Request for Review with the Employment Appeals Board no later than September 26, 2024.”

(2) Order No. 24-UI-265241, mailed to claimant on September 6, 2024, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Order No. 24-UI-265241 at 2. Order No. 24-UI-265241 also stated on its Certificate of Mailing, “Any party may appeal this Order by filing a Request for Review with the Employment Appeals Board no later than September 26, 2024.”

(3) Order No. 24-UI-265242, mailed to claimant on September 6, 2024, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Order No. 24-UI-265242 at 2. Order No. 24-UI-265242 also stated on its Certificate of Mailing, “Any party may appeal this Order by filing a Request for Review with the Employment Appeals Board no later than September 26, 2024.”

(4) Order No. 24-UI-265236, mailed to claimant on September 6, 2024, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Order No. 24-UI-265236 at 2. Order No. 24-UI-265236 also stated on its Certificate of Mailing, “Any appeal from this Order must be filed on or before September 26, 2024, to be timely.”

CONCLUSIONS AND REASONS: Claimant’s late applications for review of Orders No. 24-UI-265232, 24-UI-265241, 24-UI-265242, and 24-UI-265236 are dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a

showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The applications for review of Orders No. 24-UI-265232, 24-UI-265241, 24-UI-265242, and 24-UI-265236 were due by September 26, 2024. Because claimant did not file their applications for review until October 3, 2024, the applications for review were late. Claimant provided a written statement with their applications for review. However, claimant’s written statement did not describe circumstances preventing them from filing the applications for review on time. Accordingly, claimant did not show good cause for the late applications for review, and the late applications for review are dismissed.

DECISION: The applications for review filed October 3, 2024, are dismissed. Orders No. 24-UI-265232, 24-UI-265241, 24-UI-265242, and 24-UI-265236 remain undisturbed.
