

EMPLOYMENT APPEALS BOARD DECISION
2024-EAB-0793

Affirmed
Late Request for Hearing Dismissed

PROCEDURAL HISTORY: On July 22, 2021, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant was discharged by the employer for misconduct and was disqualified from receiving benefits effective October 13, 2019 (decision # 123100). On August 11, 2021, decision # 123100 became final without claimant having filed a request for hearing. On October 18, 2024, claimant filed a late request for hearing. ALJ Kangas considered claimant's request, and on October 24, 2024 issued Order No. 24-UI-270631, dismissing the request as late, subject to claimant's right to renew the request by responding to an appellant questionnaire by November 7, 2024. On November 7, 2024, the deadline to provide a response to the appellant questionnaire passed without claimant having provided one. On November 8, 2024, claimant filed a timely application for review of Order No. 24-UI-270631 with the Employment Appeals Board (EAB).

WRITTEN ARGUMENT: Under ORS 657.275(2) and OAR 471-041-0090(1)(b)(A) (May 13, 2019), EAB did not consider claimant's argument because it was not relevant and material to EAB's determination of whether to allow claimant's late request for hearing on decision # 123100.

FINDINGS OF FACT: Decision # 123100, mailed to claimant's address on file with the Department on July 22, 2021, stated, "You have the right to appeal this decision if you do not believe it is correct. Your request for appeal must be received no later than August 11, 2021." Exhibit 1 at 2.

CONCLUSIONS AND REASONS: Claimant's late request for hearing is dismissed.

ORS 657.269 provides that the Department's decisions become final unless a party files a request for hearing within 20 days after the date the decision is mailed. ORS 657.875 provides that the 20-day deadline may be extended a "reasonable time" upon a showing of "good cause." OAR 471-040-0010 (February 10, 2012) provides that "good cause" includes factors beyond an applicant's reasonable control or an excusable mistake, and defines "reasonable time" as seven days after those factors ceased to exist.

The request for hearing on decision # 123100 was due by August 11, 2021. Claimant filed their request for hearing on October 18, 2024. The request for hearing was therefore late.

Claimant was given the opportunity to explain what factors, if any, prevented timely filing by responding to an appellant questionnaire within fourteen days of the date the order dismissing the request was mailed. Order No. 24-UI-270631 at 1. However, claimant failed to respond by that deadline, and did not explain why the information requested in the questionnaire could not have been provided while the matter was before the Office of Administrative Hearings (OAH). The record fails to show why the request for hearing was filed late. Accordingly, good cause has not been shown to extend the deadline to file the request for hearing on decision # 123100.

For these reasons, claimant's late request for hearing on decision # 123100 is dismissed.

DECISION: Order No. 24-UI-270631 is affirmed.

D. Hettle and A. Steger-Bentz;
S. Serres, not participating.

DATE of Service: December 6, 2024

NOTE: You may appeal this decision by filing a Petition for Judicial Review with the Oregon Court of Appeals **within 30 days of the date of service stated above**. See ORS 657.282. For forms and information, visit <https://www.courts.oregon.gov/courts/appellate/forms/Pages/appeal.aspx> and choose the appropriate form under "File a Petition for Judicial Review." You may also contact the Court of Appeals by telephone at (503) 986-5555, by fax at (503) 986-5560, or by mail at 1163 State Street, Salem, Oregon 97301.
