

EMPLOYMENT APPEALS BOARD DECISION
2025-EAB-0050

Affirmed
Request for Hearing Dismissed

PROCEDURAL HISTORY AND FINDINGS OF FACT: On December 23, 2024, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant was discharged by the employer, but not for misconduct, and was not disqualified from receiving benefits based on the work separation (decision # L0007814531). Claimant filed a timely request for hearing. ALJ Kangas considered claimant's request, and on January 7, 2025 issued Order No. 25-UI-278861, dismissing claimant's request for hearing because it presented no justiciable controversy. On January 14, 2025, claimant filed an application for review with the Employment Appeals Board (EAB).

CONCLUSIONS AND REASONS: Claimant's request for hearing presents no justiciable controversy, and is dismissed.

ORS 657.270 provides:

(1) When a request for hearing upon the claim has been filed, as provided in ORS 657.266 to 657.269, an administrative law judge from the Office of Administrative Hearings established under ORS 183.605 shall be assigned to conduct the hearing.

(7)(a) The administrative law judge may dismiss a request for hearing under subsection (1) of this section if:

* * *

(G) The request for hearing is made by a person who is not entitled to a hearing or is not the authorized representative of a party who is entitled to a hearing.

OAR 471-040-0035 (August 1, 2004) provides, in relevant part:

* * *

(3) On the administrative law judge's own initiative, an administrative law judge may order that a request for hearing be dismissed if:

* * *

(e) The request for hearing is made by a person not entitled to a hearing on the merits or is made with respect to a determination or decision of the Director or authorized representative with respect to which there is no lawful authority to request a hearing.

Oregon courts follow the principle that a review on appeal may only be provided for justiciable controversies. *See, e.g., Gortmaker v. Seaton*, 252 Or. 440, 442, 450 P.2d 547 (1969). A justiciable controversy exists when the interests of the parties to the action conflict with each other, and the appeal will have some practical effect on the rights of the parties to the controversy. *Barcik v. Kubiacyk*, 321 Or 174, 895 P2d 765 (1995). To show a practical effect on their rights, an appellant must seek "substantive relief" through their appeal. *Krisor v. Henry*, 256 Or. App. 56, 300 P.3d 199 (Or. Ct. App. 2013).

On December 23, 2024, the Department issued decision # L0007814531, which determined that claimant was not disqualified from receiving benefits based on their work separation from the employer. As such, that decision was favorable to claimant. Claimant did not assign error to any portion of decision # L0007814531, did not request reversal of any portion of the administrative decision, and did not allege any facts which would entitle them to further relief in this matter. As such, an ALJ's review of this matter could not provide substantive relief to claimant, and would have no practical effect on claimant's rights. Accordingly, no justiciable controversy existed for an ALJ to adjudicate at a hearing. Because the case before the ALJ presented no justiciable controversy, claimant was not entitled to a hearing on decision # L0007814531, and claimant's request for hearing on that decision is dismissed.

DECISION: Order No. 25-UI-278861 is affirmed.

D. Hettle and A. Steger-Bentz;
S. Serres, not participating.

DATE of Service: January 31, 2025

NOTE: You may appeal this decision by filing a Petition for Judicial Review with the Oregon Court of Appeals **within 30 days of the date of service stated above**. *See* ORS 657.282. For forms and information, visit <https://www.courts.oregon.gov/courts/appellate/forms/Pages/appeal.aspx> and choose the appropriate form under "File a Petition for Judicial Review." You may also contact the Court of Appeals by telephone at (503) 986-5555, by fax at (503) 986-5560, or by mail at 1163 State Street, Salem, Oregon 97301.
