

**EMPLOYMENT APPEALS BOARD DECISION**  
**2025-EAB-0087**

*Late Application for Review Dismissed*

**PROCEDURAL HISTORY:** On August 16, 2022, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant failed to provide information in accordance with the Department's rules and therefore was ineligible for unemployment insurance benefits for the weeks including July 24, 2022, through August 6, 2022 (weeks 30-22 through 31-22) and until the reason for the denial had ended (decision # 600208). On September 6, 2022, decision # 600208 became final without claimant having filed a request for hearing. On February 16, 2023, claimant filed a late request for hearing.

ALJ Kangas considered claimant's request, and on July 6, 2023, issued Order No. 23-UI-229550, dismissing claimant's request for hearing as late, subject to claimant's right to renew the request by responding to an appellant questionnaire by July 20, 2023. On July 10, 2023, claimant filed a timely response to the appellant questionnaire. On November 1, 2023, the Office of Administrative Hearings (OAH) mailed a letter stating that Order No. 23-UI-229550 was vacated and that a new hearing would be scheduled to determine whether claimant had good cause to file the late request for hearing and, if so, the merits of decision # 600208.

On January 22, 2024, OAH served notice of a hearing scheduled for February 6, 2024, on decision # 600208. On February 6, 2024, claimant failed to appear for the hearing, and ALJ Nyberg issued Order No. 24-UI-247353, dismissing the hearing request on decision # 600208 due to claimant's failure to appear. On February 10, 2024, claimant filed a timely request to reopen the February 6, 2024, hearing. On April 4, 2024, ALJ Nyberg conducted a hearing, and on April 16, 2024, issued Order No. 24-UI-252393, allowing claimant's request to reopen, cancelling Order No. 24-UI-247353, re-dismissing claimant's hearing request as late without good cause, and leaving decision # 600208 undisturbed.

On May 6, 2024, Order No. 24-UI-252393 became final without claimant having filed an application for review with the Employment Appeals Board (EAB). On February 13, 2025, claimant filed a late application for review of Order No. 24-UI-252393 with EAB.

**EVIDENTIARY MATTER:** EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is the written statement claimant

included with his application for review, which has been marked as EAB Exhibit 1, and provided to the parties with this decision. Any party that objects to EAB taking notice of this information must send their objection to EAB in writing, saying why they object, within ten days of EAB mailing this decision. OAR 471-041-0090(2). Unless EAB receives and agrees with the objection, the exhibit will remain in the record.

**FINDINGS OF FACT:** (1) Order No. 24-UI-252393, mailed to claimant on April 16, 2024, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Order No. 24-UI-252393 at 5. Order No. 24-UI-252393 also stated on its Certificate of Mailing, “Any appeal from this Order must be filed on or before May 6, 2024, to be timely.”

(2) On May 6, 2024, Order No. 24-UI-252393 became final without claimant having filed an application for review with EAB. On February 13, 2025, claimant filed a late application for review with EAB.

**CONCLUSIONS AND REASONS:** Claimant’s late application for review of Order No. 24-UI-252393 is dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The application for review of Order No. 24-UI-252393 was due by May 6, 2024. Because claimant did not file their application for review until February 13, 2025, the application for review was late. Claimant provided a written statement with the application for review. However, claimant’s written statement did not describe the circumstances that prevented claimant from filing the application for review on time. EAB Exhibit 1. Accordingly, claimant did not show good cause for the late application for review, and claimant’s late application for review is dismissed.

**DECISION:** The application for review filed February 13, 2025 is dismissed. Order No. 24-UI-252393 remains undisturbed.
