

EMPLOYMENT APPEALS BOARD DECISION
2025-EAB-0172

Late Application for Review Dismissed

PROCEDURAL HISTORY: On November 4, 2024, the Oregon Employment Department (the Department) served notice of an administrative decision concluding claimant quit working for the employer with good cause and was not disqualified from receiving benefits based on the work separation (decision # L0007053908). The employer filed a timely request for hearing. On January 9, 2025, ALJ Enyinnaya conducted a hearing, and on January 17, 2025, issued Order No. 25-UI-280249, reversing decision # L0007053908 by concluding claimant quit without good cause and was disqualified from receiving benefits effective September 1, 2024. On February 6, 2025, Order No. 25-UI-280249 became final without claimant having filed an application for review with the Employment Appeals Board (EAB). On March 18, 2025, claimant filed a late application for review of Order No. 25-UI-280249 with EAB.

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is the written statement included with claimant's application for review, which has been marked as EAB Exhibit 1 and provided to the parties with this decision. Any party that objects to EAB taking notice of this information must send their objection to EAB in writing, stating why they object, within ten days of EAB mailing this decision. OAR 471-041-0090(2). Unless EAB receives and agrees with the objection, the exhibit(s) will remain in the record.

FINDING OF FACTS: (1) Order No. 25-UI-280249, mailed to claimant on January 17, 2025, stated, "You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed." Order No. 25-UI-280249 at 3. Order No. 25-UI-280249 also stated on its Certificate of Mailing, "Any appeal from this Order must be filed on or before February 6, 2025, to be timely."

(2) On January 22, 2025, the Department erroneously issued decision # L0008808519, concluding in accordance with Order No. 25-UI-280249 that claimant quit working for the employer without good

cause and was disqualified from receiving benefits. Decision # L0008808519 stated any appeal from the decision must be filed no later than February 11, 2025.¹

CONCLUSIONS AND REASONS: Claimant's late application for review of Order No. 25-UI-280249 is dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a "reasonable time" upon a showing of "good cause." ORS 657.875; OAR 471-041-0070(2). "Good cause" means that factors or circumstances beyond the applicant's reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A "reasonable time" is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The application for review of Order No. 25-UI-280249 was due February 6, 2025. Because claimant did not file their application for review until March 18, 2025, the application for review was late. Claimant provided a written statement with the application for review. Claimant's written statement did not describe the circumstances that prevented claimant from filing the application for review on time. EAB Exhibit 1.

However, it may be inferred from claimant's written statement that they did not file a timely application for review of Order No. 25-UI-280249 by February 6, 2025, because they were confused by the Department erroneously issuing decision # L0008808519. EAB Exhibit 1. The Department's error is sufficient to establish good cause to extend the deadline for filing an application for review of Order No. 25-UI-280249 to the appeal deadline stated in decision # L0008808519, February 11, 2025. However, claimant did not file their application for review until March 18, 2025. Because claimant did not show good cause to extend the deadline for filing an application for review to March 18, 2025, her late application for review is dismissed.

DECISION: The application for review filed March 18, 2025 is dismissed. Order No. 25-UI-280249 remains undisturbed.
