

EMPLOYMENT APPEALS BOARD DECISION
2025-EAB-0228

Late Application for Review Dismissed Without Prejudice

PROCEDURAL HISTORY AND FINDINGS OF FACT: On July 30, 2024, the Oregon Employment Department (the Department) served notice of an administrative decision concluding claimant had failed to verify their identification with the Department and was not eligible for benefits beginning July 29, 2024 (decision # L0005348827). On August 19, 2024, decision # L0005348827 became final without claimant having filed a request for hearing.

On September 3, 2024, claimant filed a late request for hearing on decision # L0005348827. ALJ Kangas considered claimant's request, and on March 11, 2025 issued Order No. 25-UI-285569, dismissing the request as late, subject to claimant's right to renew the request by responding to an appellant questionnaire by March 25, 2025. On March 31, 2025, Order No. 25-UI-285569 became final without claimant having filed a response to the appellant questionnaire or an application for review with the Employment Appeals Board (EAB). On April 16, 2025, claimant filed a late application for review with EAB. On April 18, 2025, claimant filed a late response to the appellant questionnaire with EAB.

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is claimant's written statement submitted as her application for review, which has been marked as EAB Exhibit 1, and claimant's response to the appellant questionnaire, which has been marked as EAB Exhibit 2. Copies of EAB Exhibits 1 and 2 have been provided to the parties with this decision. Any party that objects to our admitting EAB Exhibit 1 or 2 must send the objection to EAB in writing, stating why they object, within ten days of our mailing this decision. OAR 471-041-0090(2). Unless such objection is received and sustained, the exhibits will remain in the record.

CONCLUSIONS AND REASONS: The application for review is dismissed without prejudice.

On April 16, 2025, claimant filed an application for review of Order No. 25-UI-285569 with EAB. ORS 657.270(6) and ORS 657.270(7)(b) required the application for review to be filed no later than March 31, 2025. Claimant's application for review therefore is late, and this application for review is dismissed.

The deadline for filing an application for review may be extended a reasonable time if the applicant can show they have good cause to extend the deadline. *See* ORS 657.875; OAR 471-041-0070 (May 13, 2019). If claimant believes they have good cause and filed their late application for review within a reasonable time, claimant may ask EAB to reconsider this decision under OAR 471-041-0145 (May 13, 2019).

EAB will dismiss any request for reconsideration that does not include **all five** of the following:

1. Claimant must file the request for reconsideration by May 19, 2025, *and*
2. Claimant must state in the request for reconsideration that they sent a copy of the request to the other party, *and*
3. Claimant must provide additional specific details about the reason they filed a late application for review. For example, claimant should include specific information about the date they received the ALJ's Order No. 25-UI-285569, whether they read and disagreed with it, and how they were prevented from filing their application for review by March 31, 2025. Claimant should include specific details that might help EAB determine whether or not claimant had "good cause," which means factors or circumstances beyond their reasonable control prevented them from filing a timely application for review, *and*
4. Claimant must provide the date the circumstances that prevented them from filing a timely application for review ended (the circumstances they listed in response to #3, above), *and*
5. Claimant must provide sufficient information to prove that they filed their application for review within **seven** days of the date the circumstances that prevented them from filing a timely application for review ended.

There are several ways to file a request for reconsideration:

1. Use your smart phone, tablet, or computer to fill out the "File a Written Argument" form, available on EAB's website: <https://www.oregon.gov/EMPLOY/EAB/Pages/default.aspx>, *or*
2. Use your smart phone, tablet, or computer to send an email to EAB at OED_EAB_OFFICE@employ.oregon.gov, *or*
3. Send the request by U.S. mail or another delivery service, addressed to 875 Union St NE, Salem, Oregon 97311, *or*
4. Send EAB a fax at 503-378-2129.

Please note that you need only file *one* request for reconsideration.

DECISION: The application for review filed April 16, 2025 is dismissed without prejudice. Order No. 25-UI-285569 remains undisturbed.
