

EMPLOYMENT APPEALS BOARD DECISION
2025-EAB-0293

Reversed & Remanded

PROCEDURAL HISTORY: On January 31, 2025, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant worked for an educational institution and was ineligible for benefits during their winter recess period of December 20, 2024, through January 3, 2025 (decision # L0009017958). On February 20, 2025, decision # L0009017958 became final without claimant having filed a request for hearing. On March 27, 2025, claimant filed a late request for hearing. ALJ Kangas considered claimant's request, and on April 29, 2025, issued Order No. 25-UI-290938, dismissing the request as late, subject to claimant's right to renew the request by responding to an appellant questionnaire by May 13, 2025. On May 14, 2025, claimant filed a late appellant questionnaire response and a timely application for review with the Employment Appeals Board (EAB).

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is claimant's appellant questionnaire response, has been marked as EAB Exhibit 1, and provided to the parties with this decision. Any party that objects to EAB taking notice of this information must send their objection to EAB in writing, stating why they object, within ten days of EAB mailing this decision. OAR 471-041-0090(2). Unless EAB receives and agrees with the objection, the exhibit will remain in the record.

FINDINGS OF FACT: (1) Decision # L0009017958, mailed to claimant's address on file with the Department on January 31, 2025, stated, "You have the right to appeal our decision and request a hearing if you believe our decision is wrong. We must receive your request for a hearing no later than **February 20, 2025.**" Exhibit 1 at 2 (emphasis in original).

(2) Claimant received decision # L0009017958 shortly after it was mailed. Claimant was suffering from health problems at the time and therefore did not take immediate action.

(3) On March 27, 2025, claimant filed a late request for hearing on decision # L0009017958.

CONCLUSIONS AND REASONS: Order No. 25-UI-290938 is set aside, and the matter remanded for a hearing to determine whether claimant's late request for hearing should be allowed and, if so, the merits of decision # L0009017958.

ORS 657.269 provides that the Department's decisions become final unless a party files a request for hearing within 20 days after the date the decision is mailed. ORS 657.875 provides that the 20-day deadline may be extended a "reasonable time" upon a showing of "good cause." OAR 471-040-0010 (February 10, 2012) provides that "good cause" includes factors beyond an applicant's reasonable control or an excusable mistake, and defines "reasonable time" as seven days after those factors ceased to exist.

The request for hearing on decision # L0009017958 was due by February 20, 2025. Claimant filed their request for hearing on March 27, 2025, and it was therefore late.

Claimant did not assert in their appellant questionnaire response that receipt of the administrative decision was delayed, but explained that at the time it was received, they were "sick" and being treated for mental health issues. EAB Exhibit 1 at 2. Claimant wrote that they failed to meet the filing deadline because, "I was not in my right mind." EAB Exhibit 1 at 2. This suggests that claimant may have been prevented from timely filing a request for hearing by factors beyond their reasonable control. Further development of the record is therefore warranted.

On remand, inquiry should be made to confirm the date decision # L0009017958 was received, what claimant's health issues were at that time and through the February 20, 2025, filing deadline, and whether those issues prevented claimant from filing a request for hearing. If good cause is found to extend the deadline for timely filing, further inquiry should be made to determine when the factors that prevented timely filing ended, and whether the late request for hearing was filed within a seven-day "reasonable time" thereafter.

For these reasons, Order No. 25-UI-290938 is set aside, and this matter remanded for a hearing on whether to allow claimant's late request for hearing and, if so, the merits of decision # L0009017958.

DECISION: Order No. 25-UI-290938 is set aside, and this matter remanded for further proceedings consistent with this order.

D. Hettle and A. Steger-Bentz;
S. Serres, not participating.

DATE of Service: June 13, 2025

NOTE: The failure of any party to appear at the hearing on remand will not reinstate Order No. 25-UI-290938 or return this matter to EAB. Only a timely application for review of the order mailed to the parties after the remand hearing will return this matter to EAB.
