

EMPLOYMENT APPEALS BOARD DECISION
2025-EAB-0296

Late Application for Review Dismissed

PROCEDURAL HISTORY: On March 6, 2009, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant willfully underreported earnings to obtain \$4,231 in benefits he must repay along with a \$634.65 monetary penalty, and that claimant was disqualified for 52 weeks of future benefits. On March 26, 2009, the March 6, 2009 administrative decision became final without claimant having filed a request for hearing.

On December 16, 2024, claimant filed a late request for hearing. ALJ Scott considered claimant's request, and on January 22, 2025 issued Order No. 25-UI-280577, dismissing the request as late without a showing of good cause, subject to claimant's right to renew the request by responding to an appellant questionnaire by February 5, 2025. Claimant filed a timely response to the appellant questionnaire. On February 18, 2025, the Office of Administrative Hearings (OAH) mailed the parties a letter stating that based on claimant's response to the appellant questionnaire, Order 25-UI-280577 was cancelled and vacated, and that a hearing would be scheduled on whether to allow claimant's late request for hearing and, if so, the merits of the March 6, 2009 administrative decision.

On April 18 2025, ALJ Enyinnaya conducted the hearing, and on April 25, 2025 issued Order No. 25-UI-290650, re-dismissing claimant's late request for hearing on the March 6, 2009 administrative decision. On May 15, 2025, Order No. 25-UI-290650 became final without claimant having filed an application for review with the Employment Appeals Board (EAB). On May 16, 2025, claimant filed a late application for review with EAB.

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is a copy of claimant's application for review and the envelope in which it was mailed, has been marked as EAB Exhibit 1, and provided to the parties with this decision. Any party that objects to EAB taking notice of this

information must send their objection to EAB in writing, stating why they object, within ten days of EAB mailing this decision. OAR 471-041-0090(2). Unless EAB receives and agrees with the objection, the exhibit will remain in the record.

FINDINGS OF FACT: (1) Order No. 25-UI-290650, mailed to claimant on April 25, 2025, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Order No. 25-UI-290650 at 4. Order No. 25-UI-290650 also stated on its Certificate of Mailing, “Any appeal from this Order must be filed on or before May 15, 2025 to be timely.”

(2) Claimant filed his application for review of Order No. 25-UI-290650 by mail. The postmark date on the envelope in which claimant mailed his application for review is May 16, 2025.

CONCLUSIONS AND REASONS: Claimant’s late application for review of Order No. 25-UI-290650 is dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ceased to exist. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The application for review of Order No. 25-UI-290650 was due May 15, 2025. The filing date for an application for review filed by mail is the postmark date affixed to the envelope in which the application was mailed. OAR 471-041-0065(1)(b) (May 13, 2019). The postmark date on the envelope in which claimant mailed his application for review is May 16, 2025; that date is therefore the filing date. Because claimant did not file his application for review until May 16, 2025, the application for review was late. Claimant included a written statement with the application for review. However, claimant’s written statement did not describe circumstances preventing claimant from filing the application for review on time. EAB Exhibit 1. Accordingly, claimant did not show good cause for the late application for review, and his late application for review is dismissed.

DECISION: The application for review filed May 16, 2025 is dismissed. Order No. 25-UI-290650 remains undisturbed.
