

EMPLOYMENT APPEALS BOARD DECISION
2025-EAB-0401-R

Late Request for Reconsideration Dismissed

PROCEDURAL HISTORY AND FINDINGS OF FACT: On May 20, 2021, the Oregon Employment Department (the Department) served a Notice of Determination for Pandemic Unemployment Assistance (PUA) concluding that claimant was ineligible for PUA benefits effective December 27, 2020. Claimant filed a timely request for hearing.¹ On September 27, 2021, notice was mailed to claimant that a hearing was scheduled for October 12, 2021. On October 12, 2021, claimant failed to appear for the hearing, and ALJ Frank issued Order No. 21-UI-177002, dismissing claimant's request for hearing due to her failure to appear.

On November 1, 2021, claimant filed a timely request to reopen the hearing. On March 28, 2023, ALJ Lucas conducted a hearing, and on April 5, 2023 issued Order No. 23-UI-221127, allowing claimant's request to reopen and modifying the May 20, 2021 PUA determination, as amended September 1, 2021, by concluding that claimant was eligible for PUA benefits from December 27, 2020 through February 27, 2021 (weeks 53-20 through 08-21), but ineligible for PUA benefits from February 28 through September 4, 2021 (weeks 09-21 through 35-21).

On April 25, 2023, Order No. 23-UI-221127 became final without claimant having filed an application for review with the Employment Appeals Board (EAB). On July 5, 2025, claimant filed a late application for review of Order No. 23-UI-221127 with EAB. On August 11, 2025, EAB issued EAB Decision 2025-EAB-0401, dismissing claimant's late application for review and leaving Order No. 23-UI-221127 undisturbed. On September 5, 2025, claimant filed a late request for reconsideration of EAB Decision 2025-EAB-0401 with EAB. This decision is made under EAB's authority under ORS 657.290(3).

CONCLUSIONS AND REASONS: Claimant's request for reconsideration is dismissed.

ORS 657.290(3) permits the Employment Appeals Board to reconsider any past decision of the Employment Appeals Board, including "the making of a new decision to the extent necessary and

¹ An amended PUA determination was issued on September 1, 2021, but contained the same conclusions regarding claimant's ineligibility for PUA benefits. Claimant's request for hearing was applied to the amended PUA determination.

appropriate for the correction of previous error of fact or law.” “Any party may request reconsideration to correct an error of material fact or law, or to explain any unexplained inconsistency with Employment Department rule, or officially stated Employment Department position, or prior Employment Department practice.” OAR 471-041-0145(1) (May 13, 2019). The request will be dismissed unless it states that a copy of the request was given to the other parties, and is filed within 20 days after the decision the party wants to be reconsidered was mailed. OAR 471-041-0145(2).

EAB Decision 2025-EAB-0401 was mailed to claimant on August 11, 2025. Claimant’s request for reconsideration was filed more than 20 days later, on September 5, 2025. Because the request for reconsideration did not meet the threshold requirements for consideration set forth in OAR 471-041-0145(2), claimant’s request for reconsideration of EAB Decision 2025-EAB-0401 is dismissed.

DECISION: Claimant’s request for reconsideration is dismissed. EAB Decision 2025-EAB-0401 remains undisturbed.
