

**EMPLOYMENT APPEALS BOARD DECISION**  
**2025-EAB-0490**

*Late Applications for Review Dismissed*

**PROCEDURAL HISTORY:** On May 7, 2025, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant was denied benefits for the week of April 20, 2025 to April 26, 2025 because he was not available for work during that week (decision # L0010672454). On May 27, 2025 decision # L0010672454 became final without claimant having filed a request for hearing. On June 13, 2025, the Department served notice of an administrative decision concluding that claimant was denied benefits for the week of May 25, 2025 to May 31, 2025 because he was not available for work during that week (decision # L0011225236). On July 3, 2025, decision # L0011225236 became final without claimant having filed a request for hearing.

On July 8, 2025, claimant filed late requests for hearing on decisions # L0010672454 and L0011225236. ALJ Kangas considered the requests, and on July 10, 2025 issued Orders No. 25-UI-297199 and 25-UI-297198, dismissing the requests as late without a showing of good cause, subject to claimant's right to renew the requests by responding to an appellant questionnaire by July 24, 2025. On July 30, 2025, Orders No. 25-UI-297199 and 25-UI-297198 became final without claimant having filed a response to an appellant questionnaire or an application for review of Orders No. 25-UI-297199 or and 25-UI-297198 with the Employment Appeals Board (EAB).

On August 6, 2025, claimant filed late applications for review of Orders No. 25-UI-297199 and 25-UI-297198 with EAB that included a response to the appellant questionnaire attached to Order No. 25-UI-297199. EAB combined its review of Orders No. 25-UI-297199 and 25-UI-297198 under OAR 471-041-0095 (October 29, 2006). For case-tracking purposes, this decision is being issued in duplicate (EAB Decisions 2025-EAB-0489 and 2025-EAB-0490).

**EVIDENTIARY MATTER:** EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is the envelope in which claimant's applications for review were mailed, and claimant's response to the appellant questionnaire attached to Order No. 25-UI-297199. The documents have been marked as EAB Exhibit 1 and provided to the parties with this decision. Any party that objects to EAB taking notice of this information must send their objection to EAB in writing, stating why they object, within ten days of EAB mailing this

decision. OAR 471-041-0090(2). Unless EAB receives and agrees with the objection, the exhibit(s) will remain in the record.

**FINDINGS OF FACT:** (1) Orders No. 25-UI-297199 and 25-UI-297198, mailed to claimant on July 10, 2025, stated, “You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed.” Orders No. 25-UI-297199 and 25-UI-297198 at 2. Orders No. 25-UI-297199 and 25-UI-297198 also stated on their Certificates of Mailing, “Any party may appeal this Order by filing a Request for Review with the Employment Appeals Board no later than July 30, 2025.”

(2) Claimant filed his applications for review of Orders No. 25-UI-297199 and 25-UI-297198 by mail. The postmark date on the envelope in which claimant mailed his applications for review is August 6, 2025. EAB Exhibit 1 at 1.

**CONCLUSIONS AND REASONS:** Claimant’s late application for review of Orders No. 25-UI-297199 and 25-UI-297198 are dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ended. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The applications for review of Orders No. 25-UI-297199 and 25-UI-297198 were due by July 30, 2025. The filing date for an application for review filed by mail is the postmark date on the envelope in which the application was mailed. OAR 471-041-0065(1)(b) (May 13, 2019). The postmark date on the envelope in which claimant mailed his applications for review is August 6, 2025. EAB Exhibit 1 at 1. Because claimant did not file his applications for review until August 6, 2025, the applications for review were late. Claimant included a response to the appellant questionnaire attached to Order No. 25-UI-297199 with his applications for review. EAB Exhibit 1 at 2-3. However, the response did not describe circumstances preventing claimant from having filed the applications for review on time. EAB Exhibit 1 at 2-3. Accordingly, claimant did not show good cause for the late applications for review, and his late applications for review are dismissed.

**DECISION:** The applications for review filed August 6, 2025 are dismissed. Orders No. 25-UI-297199 and 25-UI-297198 remain undisturbed.
