

EMPLOYMENT APPEALS BOARD DECISION
2025-EAB-0524

Late Application for Review Dismissed

PROCEDURAL HISTORY: On April 23, 2025, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant was discharged by the employer for misconduct and denied benefits effective March 23, 2025 (decision # L0010360545).¹ On May 13, 2025, decision # L0010360545 became final without claimant having filed a request for hearing. On May 22, 2025, claimant filed a late request for hearing. ALJ Kangas considered the request, and on June 3, 2025 issued Order No. 25-UI-293908, dismissing the request as late, subject to claimant's right to renew the request by responding to an appellant questionnaire by June 17, 2025. On June 23, 2025, Order No. 25-UI-293908 became final without claimant having filed an appellant questionnaire response or application for review with the Employment Appeals Board (EAB). On September 4, 2025, claimant filed a late application for review of Order No. 25-UI-293908 with EAB.

EVIDENTIARY MATTER: EAB has considered additional evidence when reaching this decision under OAR 471-041-0090(1) (May 13, 2019). The additional evidence is the statement included with claimant's late application for review, has been marked as EAB Exhibit 1, and provided to the parties with this decision. Any party that objects to EAB taking notice of this information must send their objection to EAB in writing, stating why they object, within ten days of EAB mailing this decision. OAR 471-041-0090(2). Unless EAB receives and agrees with the objection, the exhibit will remain in the record.

FINDING OF FACT: Order No. 25-UI-293908, mailed to claimant's address of record on file with the Office of Administrative Hearings (OAH) on June 3, 2025, stated, "You may appeal this decision by filing the attached form Application for Review with the Employment Appeals Board within 20 days of the date that this decision is mailed." Order No. 25-UI-293908 at 2. Order No. 25-UI-293908 also stated on its Certificate of Mailing, "Any party may appeal this Order by filing a Request for Review with the Employment Appeals Board no later than June 23, 2025."

¹ Decision # L0010360545 stated that claimant was denied benefits from March 23, 2025 to March 21, 2026. However, decision # L0010360545 should have stated that claimant was disqualified from receiving benefits beginning March 23, 2025, and until they earned four times their weekly benefit amount. See ORS 657.176.

CONCLUSIONS AND REASONS: Claimant’s late application for review of Order No. 25-UI-293908 is dismissed.

An application for review is timely if it is filed within 20 days of the date that the Office of Administrative Hearings (OAH) mailed the order for which review is sought. ORS 657.270(6); OAR 471-041-0070(1) (May 13, 2019). The 20-day filing period may be extended a “reasonable time” upon a showing of “good cause.” ORS 657.875; OAR 471-041-0070(2). “Good cause” means that factors or circumstances beyond the applicant’s reasonable control prevented timely filing. OAR 471-041-0070(2)(a). A “reasonable time” is seven days after the circumstances that prevented the timely filing ended. OAR 471-041-0070(2)(b). A late application for review will be dismissed unless it includes a written statement describing the circumstances that prevented a timely filing. OAR 471-041-0070(3).

The application for review of Order No. 25-UI-293908 was due by June 23, 2025. Because claimant did not file their application for review until September 4, 2025, the application for review was late.

Claimant’s late application for review stated, in relevant part: “I’m sending this email because I want to file a[n] appeal[.] I missed the first one[.] I have always worked and never had to deal with employment, I apologize it is my fault but would appreciate a new hearing.” EAB Exhibit 1 at 1. It is unclear from this statement what, if anything, prevented claimant from filing a timely application for review of Order No. 25-UI-293908. Claimant therefore has not demonstrated that factors beyond their reasonable control prevented timely filing. Accordingly, good cause to extend the filing deadline has not been shown, and claimant’s late application for review of Order No. 25-UI-293908 is dismissed.

DECISION: The application for review filed September 4, 2025 is dismissed. Order No. 25-UI-293908 remains undisturbed.
