

**EMPLOYMENT APPEALS BOARD DECISION**  
**2025-EAB-0552**

*Affirmed*  
*Late Request for Hearing Dismissed Without Prejudice*

**PROCEDURAL HISTORY AND FINDINGS OF FACT:** On September 10, 2010, the Oregon Employment Department (the Department) served notice of an administrative decision concluding that claimant willfully made a misrepresentation and failed to report a material fact to obtain benefits, and assessing a \$17,047 overpayment that claimant was required to repay, a \$2,557.05 monetary penalty, and a 52-week penalty disqualification from future benefits. On September 30, 2010, the September 10, 2010 administrative decision became final without claimant having filed a request for hearing. On June 13, 2025, claimant filed a late request for hearing.<sup>1</sup> ALJ Kangas considered claimant's request, and on September 8, 2025 issued Order No. 25-UI-302732, dismissing the request as late, subject to claimant's right to renew the request by responding to an appellant questionnaire by September 22, 2025. Claimant did not submit an appellant questionnaire response. On September 20, 2025, claimant filed an application for review of Order No. 25-UI-302732 with the Employment Appeals Board (EAB).

**CONCLUSIONS AND REASONS:** Order No. 25-UI-302732 is affirmed. Claimant's late request for hearing is dismissed without prejudice.

---

<sup>1</sup> As part of the June 13, 2025 hearing request, claimant asserted that their identity had been stolen at or near the time that the September 10, 2010 administrative decision was issued, and appeared to attribute the overpayment reflected in the decision to identity theft. Department records show that the Department investigated, and on August 12, 2025 determined that it could not confirm that identity theft had taken place and took no further action. EAB has taken notice of these facts, which are contained in Employment Department records. OAR 471-041-0090(1) (May 13, 2019). Any party that objects to EAB taking notice of this information must send their objection to EAB in writing, stating why they object, within ten days of EAB mailing this decision. OAR 471-041-0090(2). Unless EAB receives and agrees with the objection, the noticed facts will remain in the record.

On June 13, 2025, claimant filed a request for hearing on the September 10, 2010 administrative decision. ORS 657.269 required the request for hearing to be filed no later than September 30, 2010. Claimant's request for hearing therefore is late, and the request for hearing is dismissed.

The deadline for filing a request for hearing may be extended a reasonable time if the appellant can show that they have good cause to extend the deadline. *See* ORS 657.875; OAR 471-040-0010 (February 10, 2012). If claimant believes they have good cause and filed their late request for hearing within a reasonable time, claimant may ask EAB to reconsider this decision under OAR 471-041-0145 (May 13, 2019).

EAB will dismiss any request for reconsideration that does not include **all five** of the following:

1. Claimant must file the request for reconsideration by November 3, 2025, *and*
2. Claimant must state in the request for reconsideration that they sent a copy of the request to both of the employers listed in the caption at the top of this decision, *and*
3. Claimant must provide additional specific details about the reason they filed their request for hearing *late*. For example, claimant should include specific information about the date they received the September 10, 2010 administrative decision, whether they read and disagreed with it, and how they were prevented from filing their request for hearing by September 30, 2010. Claimant should include specific details that might help EAB determine whether claimant had "good cause," which means factors beyond their reasonable control or an excusable mistake prevented them from filing a timely request for hearing, *and*
4. Claimant must provide the date the factors that prevented them from filing a timely request for hearing ended (the factors they listed in response to #3, above), *and*
5. Claimant must provide sufficient information to show they filed their request for hearing within **seven** days of the date the factors that prevented them from filing a timely request for hearing ended.

There are several ways to file a request for reconsideration:

1. Use your smart phone, tablet, or computer to fill out the "File a Written Argument" form, available on EAB's website: <https://www.oregon.gov/EMPLOY/EAB/Pages/default.aspx>, *or*
2. Use your smart phone, tablet, or computer to send an email to EAB at [appealsboard@employ.oregon.gov](mailto:appealsboard@employ.oregon.gov), *or*
3. Send the request to EAB by U.S. mail or another delivery service, addressed to 875 Union St NE, Salem, Oregon 97311, *or*
4. Send EAB a fax at 503-378-2129.

Please note that you need only file *one* request for reconsideration.
